

LABEL COPY FOR SPRAY DISINFECTANT/DEODORANT AND AIR SANITIZER, CODE NO. 32-39A

FRONT LABEL

SPRAY DISINFECTANT AND AIR SANITIZER

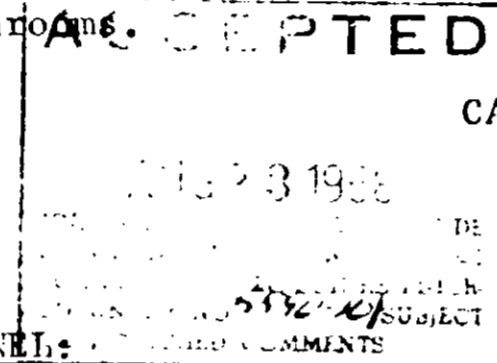

- Surface Disinfectant
- Air Sanitizer
- Air Deodorant

Sprayed on Surfaces: Deodorizes by disinfecting. Germicidal activity kills most odor producing organisms. Fungicidal activity prevents mildew, mold, decay and resulting odors. Simply spray on and let dry.

Sprayed in the Air: Sanitizes the air and masks unpleasant odors. Pleasantly scented.

For hospital use, where immediately available germicidal action is mandatory.

For use in hospital rooms, sick rooms, doctors' examining rooms, kitchens, nursery and bathrooms.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

SPRAY DISINFECTANT AND AIR SANITIZER-DEODORANT

Disinfects and deodorizes surfaces through effective antibacterial and antifungal activity. Kills most dangerous Fungus, Staph and Strep organisms. Reduces airborne germs -- sanitizes air -- eliminates odors.

DIRECTIONS FOR USE:

For Surfaces: Remove protective cap, hold can upright and spray from a distance of 6 to 8 inches until area for treatment is covered by a fine mist. Allow to dry.

For Airborne Odors: Direct spray upward, toward center of room. Reduces the hazards for airborne bacteria and virus particles. Spray 10 to 15 seconds for average room (12' x 12' x 9'). Repeat 4 times daily, more often if windows are open or where air is agitated or changed frequently. If humidity at normal room temperature is below 20%, add moisture.

For Hospital Use: Walls, floors, beds, bedpans, urinals, furniture, fixtures, containers, toilets, diaper pails, instrument trays, examining tables, Telephones and other bedside equipment not easily subject to normal disinfecting procedures. Spray to moisten all surfaces thoroughly.

For Household Use: Kitchens-Sink, drainboard, cabinets, stove and refrigerator. Empty garbage cans and under sinks. Eliminates household odors and retards their return.

Bathrooms-Bathrub, wash basin, toilet seat, empty hampers, tiled walls
Eliminates bathroom odors.

General Use-Telephone, animal areas, diaper pails, nursery rooms, damp or musty corners in attic, cellar or closet. Spray to moisten all surfaces thoroughly.

Kills most disease organisms on articles in sick rooms.
