PUP-UP Carpet, Floor and upholstery cleaner

REMOVES UNWANTED PET STAINS AND DOGGY ODORS FROM CARPETS, FLOORS,  
AND UPHOLSTERY.

APPLICATION: PUP-UP's foaming action cleans and deodorizes carpets,  
floors and upholstery. It's specially formulated to remove common  
animal stains and it prevents mold and mildew and deodorizes so  
effectively that your pet is discouraged from returning to the same  
spot. On hard surfaces, PUP-UP kills most harmful bacteria on contact  
and reduces them to relatively safe levels on carpets and upholstery.

Carry a can in your car when your pets travel with you.

OTHER APPLICATIONS: PUP-UP is an excellent general purpose spot remover  
for carpets, floors and upholstery, also effective in removing baby  
urine stains.

DIRECTIONS:

1. Soak up excess wetness with cloth, sponge or paper towel
2. Shake can well, hold 10 inches from stain
3. Allow foam to penetrate and rub vigorously
4. Wipe off with a damp sponge
5. Let dry to a powder and be sure to vacuum away. Leaves no  
residue to encourage re-staining.

Before using PUP-UP on rugs or upholstery, test a hidden spot to make  
sure the fabric is color-fast.

FOR USE ON WOOD OR TILE FLOOR:

PUP-UP's powerful cleaning action can remove wax and varnish.

CAUTION: CONTENTS UNDER PRESSURE. DO NOT PUNCTURE, INCINERATE, OR STORE  
IN TEMPERATURES ABOVE 120° F. AVOID SPRAYING ON FOOD.

ACTIVE INGREDIENTS:

o-Phenylphenol	0.100%
4-Chloro-2-Cyclopentylphenol	0.080
Diethanolamine-lauric Acid Amide	0.200
Triethanolamine Dodecylbenzenesulfonate	0.300

INERT INGREDIENTS:\* 99.320%

\*(includes surfactants and cleaners)
