

CLEAN 'N FASHION is specially formulated for cleaning and sanitizing wigs.

Directions: Foam on, brush out. Rinse, comb out. Set. No need to rub or scrub, so no tangles or snarls. Can clean and set one section without disturbing rest of wig's set. **No gloves needed. No mixing of chemicals needed.**

Advantages: No waste, spill or evaporation. Cleans wig a minimum of 30 times. A little goes a long way.

Removes: spray build-up, setting lotions, dirt, dust and oils.

Reduces: most odor causing bacteria.

Removes: old odors. Leaves no unpleasant after-odors. Prepares wig for styling.

Use on: either human or synthetic hair pieces. Will not discolor permanently colored wigs. Will not shrink or damage weft. Will not harm styrofoam blocks, wood, canvas, plastic or metal surfaces. No need for excessive room ventilation.

Directions:

- Brush out wig
- Shake can well
- Spray 3 to 5 inches from wig. Use sparingly.
- Using short squirts, cover entire wig surface
- Foam on, brush out
- Lift wig hair at crown and foam on cleaner at back of wig.
- Brush out.
- Rinse wig hairs clear with tepid faucet water from top of wig down
- Comb through hair
- Set . . . with or without wave set or spray

CAUTION Contents under pressure. Do not puncture, incinerate or store in temperatures above 120°F. Avoid spraying on food. Harmful if swallowed. Clean 'N Fashion has been tested on permanently colored wigs. Test small strand of wig hair for color fastness.
