

[5590-136]

**Directions for Use:**

Repels mosquitoes, chiggers, ticks, biting flies and other small flying insects, including fleas on exposed skin surfaces.

Remove protective cap. Hold can at least 12 inches away, point valve in desired direction and press button to spray. Do not spray towards face. For application to face or neck areas, spray on hand and apply. Do not apply to area around mouth, eyes or just above eyebrows. Apply liberally to all exposed skin areas. Repeat whenever insects become annoying. For ticks and chiggers, also apply liberally to shoe tops, socks and around openings of clothing. Repeat as necessary.

**WARNING: FLAMMABLE!**

Do not spray toward eyes or mouth. To apply to face, spray on hands and run on. Repeat all treatments as necessary.

Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

Avoid contact with plastic, silk, rayon, fur, frames and such fabrics as acetate rayon.

**ACTIVE INGREDIENTS**

- N, N diethyl-m toluamide 6.65%
- Other isomers 0.35%
