See back panel for additional precautions.
NET WEIGHT 8 OZ.

AIR SANITIZER AND DEODORANT

When totally expelled into recommended closed room size, acts to temporarily sanitize the air. Also controls unpleasant odors. Most effective at relative humidities of 20% and greater.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove protective cap. Place container upright at an elevation of three to four feet in the center of the room, protecting the hard surface with a cloth or plastic covering. Close doors, vents and windows. Turn off air conditioner. Depress actuator completely to audible click for continuous spraying. Leave room for fifteen minutes while aerosol empties. Dispose of empty container promptly.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

WARNING

Avoid spraying into face. In case of contact, wash thoroughly with water. If irritation persists, get medical attention. Avoid inhalation of spray mist.

Flammable. Contents under pressure. Keep away from heat. Sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.
