OCT 26 1968

In accordance with the Insecticide,
Fungicide and Rodenticide Act
of 1947, the pesticide
registered under EPA Reg. No.
5390-168

Back Panel:

AIR SANITIZER AND DEODORANT

Sanitizes the air via temporarily reducing air-borne bacteria. Also controls unpleasant odors. Most effective at relative humidities of 20% and greater.

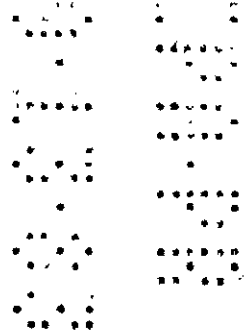

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove protective cap. Close all windows, doors and vents. Turn off air conditioner. Direct spray upward, toward center of room, and spray daily for 10 to 15 seconds to temporarily reduce the numbers of air-borne bacteria in the air of a 12' by 12' by 9' room. Most effective at relative humidities of 20% and greater.

DISPOSAL:

Do not reuse empty container. Wrap container and put in trash collection.

Attention: Mr. Fred Present

Gentlemen:

Subject: ATI Air Sanitizer and Deodorant
EPA Registration No. 5590-108
Your Application Dated September 7, 1983

The amendment and label referred to above, submitted in connection with registration under FIFRA are acceptable provided that you:

- (1) Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

After a review of your draft label (containing the revised use directions) for the above referenced product, we have determined that this product is subject to Child-resistant Packaging regulations (effective March 9, 1981). Refer to 40 CFR 162.16 "Pesticides Requiring Special Packaging" and the Federal Register Vol. 46, No. 41, Tuesday, March 3, 1981, pps. 15104-15109, "Clarification of Policy Issues on Special Packaging," for guidance and proper submission requirements.

Sincerely yours,

John H. Lee
Product Manager (31)
