5602-26

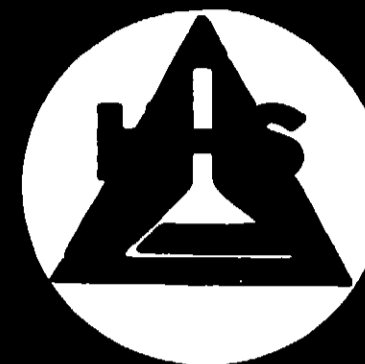

DIRECTIONS:

Any good applicator may be used with this powder.

FOR ROACHES AND ANTS:

Dust in drawers of cabinets, near sink, and in cracks and crevices to kill ants and roaches that visit these places. Apply to ant trails wherever they are found. Repeat applications as needed.

FOR FLEAS ON DOGS AND CATS:

Apply lightly to hair near skin. Kills fleas by contact when they crawl through treated area. Sprinkle on bedding to kill newly-emerged fleas. Repeat application as needed.

FOR LICE ON DOMESTIC ANIMALS AND BIRDS:

Apply lightly to cover infested portions of animals, paying particular attention to ears and long hair on tails. Repeat after ten days or as needed to kill young lice that hatch from eggs.

CAUTION: Keep Out of Reach of Children!
