DIRECTIONS

To control resistant CHINCH BUGS, ANTS, WEB-WORMS, WIREWORMS, WHITE GRUBS, ARMY WORMS, and LEAF HOPPERS, spray when insects appear and repeat in 7-10 days if necessary. For best results, thoroughly wet lawn areas, then apply 8 to 12 fluid ounces in 10 gallons of water per 1000 square feet. Irrigate treated area immediately with another 15 gallons of water.

This treatment will also effectively control FLEAS, CHIGGERS, MOSQUITOES and BROWN DOG TICKS infesting lawns.

Keep children and pets off treated area until irrigated grass dries thoroughly or until after a heavy rain.

ACTIVE INGREDIENTS	By weight
O,O-diethyl O-(2-isopropyl-4-methyl-6-pyrimidinyl) phosphorothioate	12.5%
Gamma isomer of Benzene Hexachloride from Lindane	1.25%
Aromatic petroleum derivative solvent	81.25%
INERT INGREDIENTS	5.00%
TOTAL	100.00%

12 1/2% DIAZINON PLUS LINDANE
Resistant Chinch Bug Spray

U.S.D.A. REG. NO. 5605-35

Kills: RESISTANT Chinch Bugs, Ants, Web-worms, Wireworms, White Grubs, Army Worms and Leaf Hoppers in Lawn Areas.

NET CONTENTS 1 LIQUID QUART

CAUTION: KEEP OUT OF REACH OF CHILDREN.
SEE OTHER WARNINGS ON SIDE PANEL

WARNING: May be fatal if swallowed. May be absorbed through the skin. Do not breathe spray mist. Avoid contact with skin and eyes. In case of contact, wash immediately with soap and water. For eyes, flush with water for 15 minutes. Get medical attention. Do not use on household pets or humans. Avoid contamination of feed and food-stuffs. Keep out of reach of children. To protect fish, do not contaminate ponds. Do not use or store near heat or open flame.

Note: Birds feeding in treated areas may be harmed. Highly toxic to fish and wildlife.

NOTICE TO BUYER: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
