Use 2 teaspoonfuls per gallon of water and mix thoroughly. When mites first appear, spray upper and lower plant surfaces thoroughly. Repeat as necessary.

ORNAMENTALS, FLOWERS, NURSERY STOCK, TREES: Controls most mites common on both greenhouse and outdoor plants such as evergreens, roses, flowers, shade trees, house plants (especially effective on African Violets), and nursery stock. Do not use on sensitive varieties or tender foliage not tolerant of emulsion sprays.

FRUIT AND VEGETABLES Apple, Pear, Crab-apple, Quince -- apply in second or later cover sprays or whenever mites appear. Peach, Apricot, Nectarine, Cherry, Plum, Prune, Fig -- apply at petal fall or whenever mites appear. **Vegetables** -- Controls mites on beans, cucumbers, cantaloupes, melons, watermelons, pumpkins, squash, tomatoes, eggplants, peppers. Apply at first sign of mite buildup and repeat as necessary.

NOTE: When repeat applications are necessary, wait 30 days to avoid excessive residues. Do not apply within 14 days of harvest of fruit or vegetables.

COVER MITES IN BUILDINGS. Spray walls, foundations, windowsills, plants and lawn at base of infested buildings.

USE ON: Evergreens, Roses, Ornamental Nursery Stock, Shade Trees, Flowers, Fruits, and Vegetables.

ACTIVE INGREDIENTS:

1-1-Bis (p-chlorophenyl)-2,2,2-trichloroethanol
Heavy Aromatic Naptha

CAUTION: KEEP OUT OF REACH OF CHILDREN

See other cautions on side panel.

gives high initial kill and long residual activity against most species of agricultural mites

Kelthane is a specific miticide and will not kill bees and beneficial insect predators. It is compatible with most other commonly used insecticides and fungicides and may be used in regular or concentrate sprayers. It should not be used with lime or with materials not compatible with solvent based pesticide formulations.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on the label.

Inflammation. Do not use, pour, spill or store near heat or open flame. Do not smoke while spraying. Do not take internally. Avoid inhalation or mist. Avoid skin contact. Wash thoroughly after handling. Avoid contamination of feed or feedstuffs. Keep out of reach of children.
