NOT FOR HUMAN USE

WARNING: May Be Fatal If Swallowed! May Be Absorbed Through Skin!

Do not breathe spray mist. Avoid contact with skin or eyes. In case of contact, wash immediately with soap and water; for eyes, flush with water and get medical attention. Avoid contamination of feed and foodstuffs.

WARNING

KEEP OUT OF REACH OF CHILDREN
See side panel for other cautions

NET CONTENTS 1 GALLON

SPRAY FOR KENNELS AND KENNEL RUNS

Dilute as follows:

- 1 oz. to 1½ Gal. Water
- 4 oz. to 6¼ Gal. Water
- 8 oz. to 12½ Gal. Water
- 1 pint to 25 Gal. Water

Readily mixes with hard or soft water and possesses emulsion stability for a long period. Stir slightly to assure complete suspension of active ingredients. The diluted emulsion will not clog a sprayer when mixed in accordance with directions.

CAUTION: Do not use on human or household pets other than dogs.

CAUTION: Do not use on nursing mothers. Do not use on sick or convalescing animals.

E.P.A. Reg. No. 5645-3

E.P.A. Est. 5645-KS-1

SUGGESTED USAGE

DOGS: First bathe the animal with soap and water, rinse and towel dry. Mix 1 ounce with 3½ gallons of water and apply this emulsion with a sponge or dip the animal, allowing to dry without toweling. Do not use on cats or on nursing puppies. Application should be repeated at 7 to 14-day intervals to protect against reinfestations.

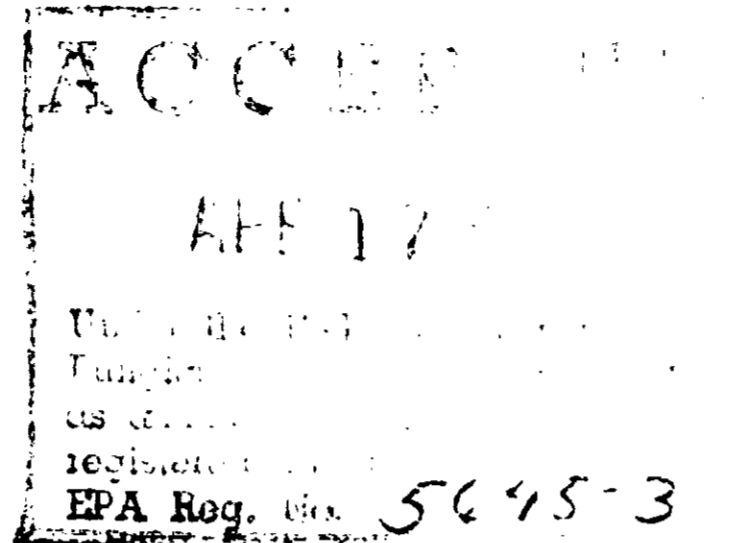

WARNING

This product is toxic to fish. Keep out of any body of water. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

FOR EXTERNAL VETERINARY USE ONLY
