## DANGER

Poisonous liquid and vapor. Contact with liquid may produce burns. Do not breath vapor. Wear a full-faced gas mask with black canister meeting specifications of the U. S. Bureau of Mines for organic vapors. Do not get in eyes, on skin, or on clothing.

CALL physician in case of EXPOSURE.

**FIRST AID:** In case of contact, immediately remove contaminated shoes and clothes and wash skin with soap and water. Flush eyes copiously with water for at least 15 minutes and get medical attention. Do not reuse clothing or shoes until completely free of chemical odor. If inhaled, remove patient to fresh air. If swallowed, induce vomiting with two tablespoons of salt in glass of warm water. Call a doctor.

**ANTIDOTE:** Remove victim to fresh air immediately. Keep victim lying down and warm. Give artificial respiration if breathing has stopped. Call a physician immediately.

This product is toxic to fish and wildlife. Do not contaminate water by cleaning of equipment or disposal of wastes.
