### DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with the label directions.

### GUARDING HEALTH IN PUBLIC PLACES.

CHC-15 solutions are effective for general disinfection and deodorizing around hotels, schools, airports, and train terminals, gasoline stations, and disinfecting previously cleaned surfaces such as swimming pools. Treat 100 gallons of water (500 ppm) with 1.5 ounces of CHC-15.

**BATHING:** CHC-15 solutions should be used to rinse keepsakes and jewelry. Rinse thoroughly with clean water after washing in a solution.

**STAIN REMOVAL:** CHC-15 solutions should be used to remove stains from clothing and fabrics. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**DISINFECTING:** CHC-15 solutions should be used to disinfect surfaces. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**DEODORIZING:** CHC-15 solutions should be used to deodorize surfaces. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**STAIN REMOVAL:** CHC-15 solutions should be used to remove stains from clothing and fabrics. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**DISINFECTING:** CHC-15 solutions should be used to disinfect surfaces. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**DEODORIZING:** CHC-15 solutions should be used to deodorize surfaces. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**STAIN REMOVAL:** CHC-15 solutions should be used to remove stains from clothing and fabrics. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**DISINFECTING:** CHC-15 solutions should be used to disinfect surfaces. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**DEODORIZING:** CHC-15 solutions should be used to deodorize surfaces. Test for colorfastness before use. Rinse thoroughly with clean water after use.

**STAIN REMOVAL:** CHC-15 solutions should be used to remove stains from clothing and fabrics. Test for colorfastness before use. Rinse thoroughly with clean water after use.
