

POWER KILL WEED and VEGETATION KILLER

DIRECTIONS FOR USE

It is a violation of federal law to use this product with its labeling.

FOR HOME USE

Apply with a sprinkling can. To cover 50 sq. ft. add 18 fl. oz. to sprinkling can containing 2 1/2 gal. of water. When sprinkling can is empty, triple rinse and pour rinses on area just treated. Mix only quantity needed and use immediately. Do not store dilute solution. To minimize lateral movement, sprinkle in tightly with a sprinkling can immediately after application.

Make application when air is calm to avoid the possibility of drift onto desirable plants or grass. Keep away from the roots of desirable plants. Use only in areas where complete control of all vegetation is desired. Power Kill Weed and Vegetation Killer should not be used on cultivated areas, on ground that is to be cultivated, in greenhouses, or near the drip line of trees or shrubs.

Do not use on slopes or

in areas where runoff is likely to occur. Apply only to level surfaces. Avoid using where adjacent desirable trees, shrubs, or plants may be injured from leaching of the chemical through the soil. Keep children and animals off treated areas until these areas are dry. Apply this product only as specified on this label.

FOR INDUSTRIAL USE

Dilute one gallon of Power Kill Weed and Vegetation Killer with 20 gallons of water or diesel to cover an area of 420 SQ. FT.

KEEP OUT OF REACH OF CHILDREN
HAZARDS TO HUMAN AND DOMESTIC ANIMALS

WARNING

Causes eye irritation. Do not get in eyes. Avoid contact with skin or clothing. Harmful if swallowed, inhaled or absorbed through the skin. Do not contaminate food or feed.

Practical Treatment: In case of eye contact, wash with water for at least 15 minutes and seek medical attention. In case of skin contact, wash with plenty of soap and water. Get medical attention if eye or skin irritation persists. If ingested, do not induce vomiting. Drink milk, egg whites, or gelatin; if not available drink plenty of water. If inhaled, remove victim to fresh air.

ONLY FOR SALE TO, USE, AND STORAGE
BY SERVICE PERSONS.

Note To Physicians: There is no specific antidote. If ingested, do not induce emesis and take care to avoid aspiration of stomach contents during gastric lavage. Give a saline laxative and supportive therapy.

Environment Hazards

This product is toxic to fish. Keep out of any body of water. Do not contaminate water use for irrigation or domestic purposes. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Active Ingredients:
Prometon, 2, 4-bis(1-propylamino)- 2.50%
6-methoxy-s-triazine 1.00%
Pentachlorophenol 0.12%
2,3,4,6-tetrachlorophenol 0.12%

Inert Ingredients: 88.38%

Total 100.00%

EPA Reg. No.

EPA Est. 5680-LA7

1430 S. PETERS ST.
NEW ORLEANS, LA. 70130

Physical or Chemical Hazards

Do not use, pour, spill, or store near heat or open flame.

For total vegetation control on certain areas around the home where no-plant growth is desired, see specified in label directions.

Controls johnsongrass, bindweed, and other hard-to-kill weeds. Prevents plant growth for up to one year.

Power Kill Weed and Vegetation Killer is a nonselective product intended for use and application with water. For best results, apply to bare ground or when vegetation growth is just starting.

Vegetation taller than 4-6 inches should be hoed before treatment or it may be necessary to make a second application. A second application may be necessary to control deep-rooted perennial weeds. Use for bare ground vegetation control in driveways, brick walks, paths, patios, parking areas, play areas, along fences and curbs, around buildings, and under paved pathways where plant growth has come through these surfaces.

STORAGE AND DISPOSAL

STORAGE

Do not store near heat or an open flame.

DISPOSAL

Metal Containers (non-recyclable). Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Plastic Containers. Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.
