disinfectant spray

KILLS MANY HOUSEHOLD GERMS

Cleans air . . . removes odors . . . helps control many germs.

Spray regularly in all areas where bacteria grow and odors occur. Bathrooms, hampers, sinks, toilets, diaper containers, garbage cans, animal areas and areas prone to dampness such as cellars, attics and closets. Also telephones, doors and much-handled objects.

- Kills many dangerous germs, even staph and strep.
- Kills odors and odor-producing bacteria.
- Prevents mold, mildew and other fungus growths.

TruTest Disinfectant Spray helps to kill many germs and remove odors from all rooms, particularly kitchens, bathrooms and babies' rooms.

CAUTION: FLAMMABLE. Don't use near flame or store where heat may exceed 120 degrees F. Don't place near food or utensils. Keep away from children. Don't throw in fire or puncture can.

DIRECTIONS: Hold upright and spray from 6 inches away until mist forms. To freshen air, spray for a few seconds until air clears.

To deodorize air, spray toward ceiling in center of room.

Active Ingredients: o-phenylphenol 0.1%, di-isobutyl phenoxy ethoxy ethyl dimethyl benzyl ammonium chloride, 0.272%, ethyl alcohol 60.604%.

Inert ingredients: 39.024%.
