	<u>100.00%</u>

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE
WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.

GENERAL INFORMATION:

Contains a multi-purpose insect repellent
for protection from mosquitoes and biting
flies. Repels ticks and chiggers. Repels
fleas from treated skin. Resists perspiration.
Non-greasy. Will not stain.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING.

TO SPRAY: Remove protective cap. Hold
dispenser upright 6 to 8 inches from the
surface to be treated and press valve.
Lightly spray skin or clothing surfaces; saturation is
unnecessary. Apply to outer clothing and exposed skin
areas such as hands, arms and legs. Direct spray
into palms of hands with short bursts and spread
over face and neck.

FOR FLEAS, CHIGGERS AND TICKS: Use
and also apply to trouser cuffs, collar and
other openings in outer clothing. Will
not damage nylon, cotton or wool.

CAUTION:

Do not apply to synthetic fabrics other than nylon.
May damage plastic and painted surfaces. Do not
puncture or throw container into fire or place
on stove or where temperature will exceed 110° F.,
which may cause can to burst.

NOTE: This pesticide is to be sold ONLY in this
original unbroken package.
Do not apply directly to face.
Do not get into eyes or on lips.
