

**SHIELD  
SURFACE  
DISINFECTANT  
SPRAY**

Kills household germs on environmental surfaces.

Removes odors . . . helps control many germs.

Ordinary, non-germicidal spray can't eliminate germ caused odors. This Spray used as disinfectant kills odor causing bacteria in Empty Garbage Cans, Diaper Pails, Under Sinks, Damp or Musty Corners in Attic, Cellar or Closet. Hold upright, spray 2-3 seconds until covered with mist.

On Environmental Surfaces:

1. Kills many dangerous germs even staph and strep.

2. Kills odors and odor-producing bacteria.

3. Prevents mold, mildew.

Stop & Shop Surface Disinfectant Spray helps to kill many germs on environmental surfaces and remove odors from all rooms, particularly, kitchen, bathrooms and babies' rooms.

**WARNING: FLAMMABLE.**

Do not use near flame or store where heat may exceed 120 degrees F. Do not spray on food or utensils. Avoid spraying in eyes. Do not throw in fire or puncture can. Keep away from children.
