## WARNING

KEEP OUT OF REACH OF CHILDREN

See rear panel for additional precautions

## DIRECTIONS FOR USE

SHIELD PATIO AND OUTDOOR SPRAY is intended for use in backyards, patios and other areas. When properly directed, the spray may kill flies, mosquitoes and gnats up to 20 feet away.

DIRECTIONS: Shake before using. Point valve opening away from face. For best results spray when air is calm. Allow a few minutes for product to take effect. Spray from center of area to be treated when not breezy. Spray with wind if breeze is blowing.

## WARNING

Avoid breathing of vapor and skin contact. Harmful if swallowed. Do not spray toward face. Do not smoke while spraying. Cover exposed food. Do not spray on food crops. Keep 4 to 6 feet away from ornamental plants while spraying.

Contents under pressure. Never puncture or throw container into fire. Never set container on stove, radiator or near fire or flame or place where temperature will exceed 130° F. which may cause it to burst.
