

SHAKE WELL BEFORE USE

DIRECTIONS FOR INDOOR USE: To break your pet of undesirable habits such as: sleeping on rugs, furniture, and other forbidden areas in your home, spray the rug, furniture, etc. lightly with Shield Repellent so that the object or area is lightly moistened. Before spraying a large area on rugs, plastic or fabric, test this product by first spraying a small inconspicuous area to avoid any possible damage. If you prefer, you may spray a piece of cloth with this Repellent and place the cloth over the rug or furniture, repeat daily or as frequently as necessary until your pet is retrained.

DIRECTIONS FOR OUTDOOR USE: To reduce soiling of flowers, lawns, trees and shrubbery; remove any droppings and lightly spray the area with this product. Reapply as often as necessary until the pet or stray animal changes its undesirable habits.

NOTE: This product is not likely to break the established urination patterns of dogs, unless it is used as a training aid.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator. Avoid contamination of food and feedstuffs. Avoid contact with skin. Wash hands with soap and water after spraying. Do not apply to food crops.

Shield Dog and Cat Repellent is a training aid. Use of command and appropriate action is also required for desired results.
