NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(2)(C) providing that you:

1. Submit above all data required for registration/reregistration of your product under FIFRA section 3(c)(2) when the Agency receives all registrations of similar products to submit such data.

2. Make the following changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 5693-71."

b. At the next printing of your label, or within 6 months whichever comes first, revise your Container Disposal statement to read: "Securely wrap original container in several layers of newspaper and discard in trash."

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

KEEP OUT OF REACH OF CHILDREN

PRACTICAL TREATMENT

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

IF ON SKIN OR CLOTHING: Remove contaminated clothing. Wash skin with soap and warm water. Get medical attention if irritation persists.

IF INHALED: Remove to fresh air if effects occur, and call a Physician.

IF SWALLOWED: Call a physician immediately. Gastric lavage is indicated if material was taken internally. Do not induce vomiting unless other treatment is not available. Vomiting may cause aspiration pneumonia.

Net Contents 12 oz.

Manufactured by:  
SHIELD PACKAGING COMPANY, INC.  
Webster, MA 01570

Back Panel

Precautionary Statements

Hazards to Humans and Domestic Animals

May be <sup>harmful</sup> if swallowed, inhaled or absorbed through skin. **CAUTION** Avoid breathing spray mist and provide adequate ventilation of area being treated. Avoid contact with skin, eyes and clothing. In case of contact immediately flush skin and eyes with plenty of water. Wash thoroughly with soap and water after handling. If poisoning occurs, get prompt medical aid.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food or food processing equipment during application. Do not apply while food processing is underway. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Cover exposed food.

Remove pets, birds and cover fish aquariums before spraying.

Physical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

## STORAGE AND DISPOSAL

**Storage:** Store in a cool dry area away from heat or open flame. Do Not contaminate water, food or feed by storage and disposal.

**Disposal:** Do not reuse empty container. Wrap container and put in trash... collection. ....

**General:** Use as a spot treatment to control cockroaches, waterbugs, silverfish, ticks, fleas and other insects listed below. Apply this product to localized areas where pests are found or may occur. Spray surfaces until wet.

**Spot Treatment:** TO KILL ANTS, ROACHES, CRICKETS, SILVERFISH, SOWBUGS, SPIDERS and EARWIGS: Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. Contact directly as many insects as possible. For ants, spray trails and places where ants enter premises. Repeat as necessary for control.

**TO KILL BROWN DOG TICKS and FLEAS:** Remove and destroy pet's old bedding. Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as necessary. Fresh bedding should be placed in animal quarters after spray has dried. Do not spray animals.

**TO KILL CARPET BEETLES and DERMESTIDS:** Spray along baseboards, edges of carpeting, under carpets and rugs, under furniture, in closets, on shelving, and in other places of harbourage. Repeat as necessary.

Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

APPLICATIONS OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN A SPOT TREATMENT ARE NOT PERMITTED.
