See back panel for additional cautions.

NET WT. 16 OZ. (1 LB.)

WARNING: Do not use in food processing plants or commercial food preparation areas. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist. Provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should also be avoided. Wash thoroughly with soap and warm water after handling. Avoid contamination of food, utensils, drinking water and food preparation areas. Remove pets and cover fish ponds before spraying. If poisoning occurs, get prompt medical aid. Atropine is antidotal.

CAUTION: Do not use in food processing plants or commercial food preparation areas. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist. Provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should also be avoided. Wash thoroughly with soap and warm water after handling. Avoid contamination of food, utensils, drinking water and food preparation areas. Remove pets and cover fish ponds before spraying. If poisoning occurs, get prompt medical aid. Atropine is antidotal.

BROWN DOG TICKS: Spray feed areas, kennels, and animal quarters. Repeat as needed. For best results, repeat spraying after 7 days.

OUTDOOR USE: ANTS, TERMITES, CRICKETS, BEETLES, SPIDERS, MILLIPEDES, SAWFLIES and BROWN BUGS. Spray infested areas thoroughly, including outside surfaces, screens, window frames, foundations, patios, or other places where insects may be harbored. Repeat as necessary. Do not spray on dry vegetation.

CAUTION: Do not use in food processing plants or commercial food preparation areas. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist. Provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should also be avoided. Wash thoroughly with soap and warm water after handling. Avoid contamination of food, utensils, drinking water and food preparation areas. Remove pets and cover fish ponds before spraying. If poisoning occurs, get prompt medical aid. Atropine is antidotal.

WARNING: FLAMMABLE! Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting. Do not smoke while using. Avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floor covering and furniture. Never throw container into fire or incinerator.

NOTICE: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions, warning and cautions given herewith.

Active Ingredients:

Pyrethrins	0.050
*Technical piperonyl butoxide	100
**N-octyl bicycloheptene dicarboximide	166
***o-isopropoxyphenyl Methylcarbamate	500
Petroleum distillates	69.184
Inert Ingredients	30.000
*Equivalent to 0.08 butyl arbutyl 5-propylpiperonyl ether and 0.02% related compounds	
**MKG 164 Insecticide Synergist	
***Baygon® U.S. Patent No. 3,111,539	

EPA REG. NO. 5719-49
