CHACON FLEA & TICK CONTROL

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed or absorbed through skin. Avoid breathing vapors. Avoid contact with skin. In case of contact, immediately flush skin with plenty of water. Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces, exposed food and utensils, should be covered during treatment, or thoroughly washed before use.

Physical Hazards

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USE.

FOR USE ON DOGS AND CATS: To kill fleas and ticks: Spray the animal from a distance of 3-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and the underside of the body. As you spray, fluff the hair so the spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into the eyes, face or on genitals. Repeat as needed. For both dogs and cats apply at the rate of one second per pound of body weight.

STORAGE AND DISPOSAL

Storage: Store in original container in a cool place away from heat or open flame. Keep out of reach of children.

Disposal: Securely wrap original container in several layers of paper and discard in trash. Do not reuse empty container.

Notice: Buyer assumes all risk of use, storage and handling of this material not in strict accordance with directions given herewith.
