

CAUTION: COMBUSTIBLE MIXTURE N.Y.F.D. C. OF A. NO. 3682

PRODUCT NO. 03123

NI-LATE®

BULK LASTING INSECT KILLER

ACTIVE INGREDIENTS:

Petroleum Distillate	83.575%
o-Isopropoxyphenyl Methylcarbamate**	1.054%
N-Octyl Bicycloheptene Dicarboximide	0.167%
Technical Piperonyl Butoxide*	0.100%
Pyrethrins	0.051%
Inert Ingredients	15.053%
	100.00%

INERT INGREDIENTS:

*Consists of Butylcarbityl (6-Propylpiperonyl) Ether and other related compounds
**o-Isopropoxyphenyl Methylcarbamate (U.S. Patent No. 3,111,539)

KEEP OUT OF REACH OF CHILDREN

CAUTION:

Statement of Practical Treatment

In case of contact, immediately flush eyes or skin with plenty of water. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsions may be needed.

See Left Panel for Additional Precautionary Statements

DIRECTIONS FOR USE

General Classification—It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DO NOT USE AS A SPACE SPRAY

FOR RESIDUAL SPOT TREATMENT OF INSECT HIDING AND BREEDING AREAS FOR USE IN: RESTAURANTS • FOOD PLANTS • HOSPITALS • BOTTLERS • DAIRIES • HOTELS/MOTELS • SUPERMARKETS

To kill Roaches, Ants, Silverfish, Waterbugs, Spiders, and Crickets: Spray directly on insects where possible. Also spray until wet all trails and surfaces where insects may breed or congregate such as under sink, drainboards, stoves, refrigerators, in cabinets, around baseboards, doors and frames, in window frames, garbage cans, garages, etc. Re-treat as necessary.

To kill Carpet Beetles: Apply to floor areas and baseboards. Spot spray directly into cracks and crevices and under carpets where insects may be found. Treat the underside only of infested carpets. Spot spray inside of trunks, closets and infested areas of shelving. Re-treat as necessary.

To kill Flies, Mosquitoes, Flying Moths and Wasps Outdoors only: Spot spray surfaces until wet where these insects alight or congregate such as porches, garages, house foundations, etc.

To kill Flies and Ants outdoors: For fleas and localized infestations of these insects. Spray infested area thoroughly outdoors where there is no vegetation. Use only in non-food crop area. For ants, thoroughly wet trails and runways. Re-treat as necessary. Spray infested areas thoroughly outdoors where there is no vegetation. Use only in non-food crop areas.

Precautionary Statements

Hazards to Humans and Domestic Animals.

KEEP OUT OF REACH OF CHILDREN

CAUTION

COMBUSTIBLE MIXTURE: Harmful if swallowed, inhaled or absorbed through the skin. Do not store, pour, spray, fog or use near heat or open flame. Do not fog indoors or use as a space spray. Avoid breathing fog or spray mist. Provide adequate ventilation of area being treated. Do not allow children to contact treated surfaces until surfaces are thoroughly dry. Avoid contact with skin, eyes and clothing. Do not apply or allow to drift to areas occupied by unprotected humans or animals. Irritating to eyes and skin. For eye contact, flush with plenty of water and get medical attention. Wash skin with soap and water after using.

Do not use on food contact surfaces. In Food or Feed Plants. Do not use in edible product areas of food processing plants. Apply the product only when plant is not in operation.

ENVIRONMENTAL HAZARDS—This pesticide is toxic to fish. Do not discharge into lakes, streams, ponds or public waters unless in accordance with NPDES permit. For guidance contact your Regional Office of the EPA.

PHYSICAL HAZARDS—Do not use, pour, spill or store near heat or open flame.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

Pesticide spray mixture or rinsate that cannot be used or chemically processed should be disposed in a landfill approved for pesticides or buried in a safe place away from water supplies.

Metal Drum—reseal container and offer for reconditioning, or triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal in approved landfill, or bury in a safe place. Consult Federal, state or local disposal authorities for approved alternate procedures.

Plastic Pail—triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place. Consult Federal, state or local disposal authorities for approved alternate procedures such as limited open burning.
