Dubois Chemicals
Division of Chemed Corporation
5th & Walnut Streets
Cincinnati, OH 45202

Gentlemen:

Subject: GCO-30
EPA Registration No. 5736-85
Your Amendment Application Dated August 10, 1987

This is in response to your request to amend the registration of the above-named product to include revised precautionary labeling statements and additional container sizes.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act is acceptable provided that you make the following revision before you release the product for shipment bearing the amended labeling.

- Revise "If swallowed, drink promptly a large quantity of milk . . . water" to read "If swallowed, drink promptly a large quantity of water."

Submit the final printed labeling for inclusion in the product file.

A stamped copy of the label is enclosed for your records.

This product contains 0.47 lb. of active ingredient
9.46 lb. per gallon.

EPA Registration No. 5736-85 EPA

KEEP OUT OF REACH OF CHILDREN

CAUTION: Harmful if swallowed. Avoid contact with skin, eyes, or clothing.

STATEMENT OF PRACTICAL TREATMENT

If eye contact occurs, flush immediately with water for 15 minutes and get medical attention. If irritation develops, stop use. If swallowed, drink promptly a large quantity of water, or, if these are not available, drink gelatin solutions, or, if these are not available, drink quantities of water. Avoid alcohol. Call your doctor.
