

JUN 6 1991

Spartan Chemical Company, Inc.
110 North Westwood Avenue
P.O. Box 3995
Toledo, OH 43607

Attention: Ronald T. Cook

Gentlemen:

Subject: Starigent
EPA Registration No. 5741-2
Your Submission Dated April 3, 1991
EPA Received Date April 10, 1991

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable.

The labels do not have a "Pesticide Disposal" section. Please place the following "Pesticidal Disposal" section on the labeling:

Pesticide Disposal

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

A stamped copy of the labeling is enclosed for your records.

**Sterigent.
Germicidal
Cleaner**

©SCC 3/91

A proven one-step cleaner disinfectant in the presence of moderate amounts of organic soil, Sterigent is a quaternary based germicidal cleaner designed for use on a wide range of surfaces such as floors, walls, countertops, sinks and showers.

Sterigent has been specially formulated with low alkalinity so that when used as directed, it will not harm non-porous environmental surfaces.

Sterigent is effective against the pathogenic bacteria *Staphylococcus aureus*, *Pseudomonas aeruginosa* and *Salmonella choleraesuis* even in the presence of organic soil!

Sterigent is recommended for use in hospitals, nursing homes, restaurants, schools, hotels...any commercial, institutional or industrial facility where a clean and sanitary environment is important.

Directions for Use:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DISINFECTION:
For one-step cleaning and disinfecting of walls, floors and other hard non-porous surfaces, use Sterigent at 3 oz. per gallon of water (1:43). Apply with a mop, cloth or spray device.

Treated surfaces must remain wet for 10 minutes. Prepare fresh solution for each application. For heavily soiled surfaces, a preliminary cleaning is required.

Deodorization:
When used as directed for cleaning and disinfecting (3 oz. Sterigent per gallon of water), this solution will effectively eliminate noxious odors.

Guarantee: Spartan's modern manufacturing and laboratory control insure uniform quality. If dissatisfied with performance of product, any unused portion may be returned for

credit within one year of the date of manufacture. Use product as directed and read all precautionary statements

DANGER PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals

Keep out of reach of children. Causes eye damage and skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling.

STATEMENT OF PRACTICAL TREATMENT

Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.

Skin Contact: Wash affected area well with soap and water. Remove and wash contaminated clothing before reuse.

If swallowed: Drink egg white, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage.

CONTAINER DISPOSAL
Do not reuse empty container. Wrap container and put in trash
