FOR INSTITUTIONAL AND INDUSTRIAL USE ONLY
NET CONTENTS: 32 Fl. Oz. (One Quart)/0.946 Liters

SparCling is a proven one-step cleaner/disinfectant in the presence of moderate amounts of organic soil on toilet bowls, urinals, and similar hard, nonporous surfaces. Designed to cling to vertical and horizontal surfaces, SparCling is also effective as a cleaner in the removal of soap scum, mildew stains, hard water deposits and uric acid from the following surfaces:

Ceramic	Grout	Basins	Tubs	Urinals
Vitreous China	Shower Walls	Porcelain	Toilets	-Metal

SparCling is recommended for use in hotels and motels, hospitals, office buildings, schools, public buildings, restaurants...any commercial, institutional or industrial building with lavatory facilities.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Disinfecting Toilet Bowls and Urinals:

1. With swab mop applicator, remove water from bowl by forcing over trap.
 2. Press swab mop against side of bowl to remove excessive water from applicator.
 3. Apply 1-2 oz. of SparCling evenly onto surface to be cleaned and disinfected.
 4. Swab entire surface area especially under the rim where water outlets are located.
 5. Allow SparCling to remain wet on surface at least 2 minutes.
 6. Flush toilet several times and rinse applicator thoroughly.
- Disinfecting Ceramic Tile, Porcelain, Shower Walls, Fiberglass, and Similar Hard, Nonporous Surfaces:
1. Apply SparCling evenly onto surface to be cleaned and disinfected.
 2. Agitate lightly with sponge or brush.
 3. Allow SparCling to remain wet on surface at least 2 minutes.
 4. Rinse thoroughly.

For heavily soiled surfaces, a preliminary cleaning is required.

*Spot Cleaning Plated and Metal Fixtures: Apply SparCling, agitate and rinse immediately. Do not allow SparCling to come into contact with any surfaces that is not acid-resistant. Never allow SparCling to remain on metal surfaces. Some fiberglass such as Sterling's Vikrell is not acid-resistant. Consult manufacturer's warranty. Test in inconspicuous area before use.

PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals

DANGER

Corrosive. Causes irreversible eye damage or skin burns. Harmful if swallowed or absorbed through skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing vapor or spray mist. Wear coveralls over long-sleeved shirt and long pants, socks and chemical-resistant footwear, goggles or face shield, and chemical resistant gloves (such as barrier laminate or butyl rubber, nitrile rubber, neoprene rubber, PVC or viton). Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.*

24 HOUR MEDICAL EMERGENCY NUMBER: 888-314-6171
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Rinse empty container thoroughly with water and discard in regular trash collection.
