This product [or product name] is recommended for use [throughout] [the] [in] [on] [Insert use site] on washable hard, nonporous surfaces such as: [insert surfaces]

Use this product [or product name] [throughout] [the] [in] [on] [Insert use site] on washable hard, nonporous surfaces such as: [insert surfaces]

[Use Sites:]

Schools, office buildings, transportation terminals, lodging/hospitality establishments, hotels, motels, churches, factories, apartment buildings, athletic/recreation facilities, any public place with restroom facilities, public restrooms, homes, home, bathrooms, kitchens, dens, basements, family rooms, children's [game] rooms, bedrooms, living rooms.

[Surfaces:]

Bathroom tiles, chrome, shower curtains and doors, toilets, urinals, vanity tops, tub and sink surfaces and fixtures, including porcelain, fiberglass and synthetic marble, [washable] shelves and drawers, floors [including linoleum, no-wax, vinyl, and glazed ceramic tile, countertops, tables, chairs, walls, cabinets, door knobs, telephones, garbage cans, [hard] plastic, glass, piano keys, refrigerator exterior, freezer exterior, microwave exterior, stovetops or stoves, range hoods, [kitchen] appliance exteriors, highchairs (non-food contact areas), washable kitchen surfaces, nursery/play areas, diaper pails, plastic laundry hampers, bed frames, high touch surfaces.

Do not use on [natural] marble or [stone] [other acid sensitive surfaces.]

[Spot test all other surfaces.]

FROM QUICK TOUCH-UPS TO SERIOUS DEEP CLEANING, X-14 ® IS THE BATHROOM EXPERT.

Try these other products from < *The Bathroom X-pert*™ tagline logo here>:

X-14 ® Mold & Mildew Stain Remover.....for a deep clean – use on tough jobs

X-14 ® Foaming Bathroom Cleaner.....for a deep clean – use on tough jobs

X-14 ® Daily Shower Cleaner.....for a quick clean - just spray daily, no wiping

X-14 ® Automatic Toilet Bowl Cleaners...for a quick clean - just drop in tank and flush, no scrubbing

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

[To Operate: Rotate nozzle [Turn trigger] [Turn sprayer] to "On" ["spray"] or ["foam"] [position], [and spray]]

To Clean and Deodorize:

Spray [product or product name] on surface and wipe clean [with a dry paper towel or lint-free cloth or sponge]. Rinse promptly with water. For tougher jobs, allow product to penetrate [dirt and/or soap scum] before wiping. [For best results, use regularly to prevent dirt and soap scum build-up.]

To Sanitize:

To sanitize pre-cleaned non-food contact surfaces spray until thoroughly wet. Let stand for 2 minutes. Then wipe and rinse promptly with water.

*Staphylococcus aureus, [ATCC 6538] and Enterobacter aerogenes, [ATCC 15038]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. For sensitive skin or prolonged exposure, wear gloves. Harmful if inhaled. Avoid breathing vapor or mist. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

[24 HOUR MEDICAL EMERGENCY NUMBER: XXX-XXX-XXXX]

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

[For containers 1 Gallon or less]

STORAGE AND DISPOSAL

[Turn sprayer to "off" position for storage]

Store out of reach of children. Do not reuse empty container. Rinse thoroughly before discarding in trash. [or recycling.]

[For containers 5 Gallons or larger]

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in original container in an area inaccessible to children and persons unfamiliar with its use.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal: Do not reuse empty containers. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. In addition, plastic containers may be disposed of by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

[Cleaning, Deodorizing, and Sanitizing Claims:]

[This product or Product name] is an all-purpose non-food contact sanitizer that is formulated with excellent cleaning and deodorizing abilities.

Effectively cleans, shines, deodorizes, and sanitizes washable hard non-porous surfaces and fixtures.

Kills 99.9% of (household) bacteria* in 2 minutes.
