DIRECTIONS

This spray is designed for use in either fogging equipment or hand sprayers.

UNIVERSAL[®] INSECT KILLER is an effective insecticide. Its high pyrethrin content, boosted by the synergist, gives fast knockdown and kills crawling insects. It is especially designed for use in homes, restaurants, hotels, motels, hospitals, food storage warehouses, food processing plants, plants, nurseries, greenhouses, and the like.

TO KILL FLIES, MOSQUITOES, GNATS ...

TO KILL ROACHES, WATERBUGS, ANTS AND SILVERFISH ...
