SKRAM
INSECT REPELLENT

LONGER LASTING PROTECTION AGAINST MOSQUITOES,
GNATS, CHIGGERS, BITING FLIES AND TICKS

SKRAM's high concentration of toluamide provides hours of repellent power for keeping away those bothersome flying insects. Effective on exposed skin, creases, and clothing. Resists perspiration, is not greasy and won't stain. To make out door work pleasant and to enjoy outdoor fun, use the sure insect repelling protection of SKRAM, with extra strength repellent power. For best results, follow directions below.

DIRECTIONS: For protection against mosquitoes, biting flies, gnats, chiggers, ticks and fleas, spray freely on exposed skin and clothing. For creases and folds, also apply liberally on shoe laces, socks, and around the edges of clothing. Hold can 6 to 8 inches away and spray on freely with slow, sweeping motion. To protect face, spray on hair, and apply to face, avoiding contact with eyes and lips. Repeat application as necessary.

CAUTION: Do not take internally. Do not spray toward eyes or mouth. Keep out of reach of children. May damage furniture, fabrics, plastics and painted surfaces. Use with care where these surfaces or materials are nearby. Do not use on rayon, silk, or leather. May be used safely on nylon, or in cotton and wool.

WARNING: Flammable! Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposed to temperatures above 130°F may cause bursting.

ACTIVE INGREDIENTS: N,N-Diethyl toluamide 14.25%, Other isomers of Diethyl Toluamide 0.75%

INERT INGREDIENTS: 85.00% E.P.A. Reg. No. 5748-25

MONEY BACK GUARANTEE: Guaranteed to repel the insects listed when used as directed, or your money back.

NET WT. 7 OZ. - 198 GMS.
