Outdoor Fogger

IMPROVED
Outdoor Fogger

**Kills and repels
 flies, mosquitoes, gnats, ants
 in an area up to 300 square feet.**

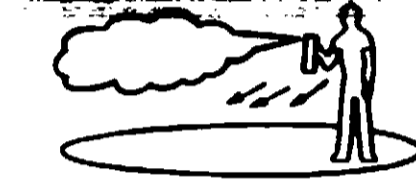

NET WT. 20 OZ. (1 LB. 4 OZ.)

CAUTION: KEEP OUT OF REACH OF CHILDREN
 See other cautions on back panel.

The Outdoor Fogger is a remarkable new product which kills and repels insects in an area up to 300 square feet. It is specially designed for use in yards, patios, porches or camping sites. It is also effective against flying and nesting hornets, wasps and yellow jackets.

DIRECTIONS: Shake before using. Remove cap, press valve away from face. Press valve to spray.

On windy day,
 spray with wind.

On calm day,
 spray from center of area.

FOR FLYING INSECTS (flies, mosquitoes, gnats and similar insects): Spray fog over area. On calm days, stand in center of area and spray in full circle allowing fog to cover area. On windy days, spray with the wind to your back allowing wind to carry fog into area you wish covered.

FOR CRAWLING INSECTS (ants, centipedes, spiders): Spray infested surface of patio or picnic area, hitting as many insects as possible. Spray legs of tables and chairs to repel crawling insects. Spray ant hills and trails thoroughly for best control.

FOR WASPS, HORNETS AND YELLOW JACKETS: If insects are flying, apply as directed above for flying insects. For nests, spray from 8 to 10 feet away on a calm day. For best results, spray at dusk when most insects are in the nests and less active. Repeat application when necessary.

CAUTION: Keep out of reach of children. Not for indoor use. Avoid prolonged or repeated breathing of vapor. Do not spray toward face. Avoid prolonged or repeated contact with skin. Cover exposed food. Do not smoke while spraying. Do not apply to food crops or on household pets. Keep 4 to 6 feet away from ornamental plants while spraying. Do not contaminate fish ponds. Contents under pressure. Do not puncture or incinerate this can. Do not set container on stove, near fire or flame or in any area where temperature may exceed 120°F which may cause container to burst.

ACTIVE INGREDIENTS:

d-trans Allethrin (allyl homolog of Cinerin I)	0.20%
*Technical Piperonyl Butoxide	1.00%
**Technical Methoxychlor	1.00%
2-Hydroxyethyl-N-Octyl Sulfide	0.05%
Related Compounds	0.05%
Petroleum Distillate	0.00%
INERT INGREDIENTS:	96.80%
	100.00%

*Equivalent to 0.8% of (butylcarbityl) (6-propylpiperonyl) ether and 0.2% of related compounds.

**Equivalent to 0.85% 2,2-bis (p-methoxyphenyl)-1,1,1-trichloroethane and 0.12% of other isomers and related products.

EPA Reg. No 5748-32 NET WT. 20 OZ. — 567 GMS.

MONEY BACK GUARANTEE: Guaranteed to kill and repel the insects listed when used as directed or your money back.
