

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. If swallowed, call a physician immediately. (To physician: atropine is antidotal.) Avoid breathing of spray mist and provide adequate ventilation. Avoid contact with skin, eyes or clothing. Wash thoroughly after using. Do not spray animals. Do not allow children or pets to contact treated surfaces until dry. Do not spray food, water, dishes, or utensils. Remove pets and cover fish bowls before spraying. Do not use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas where food is exposed. Do not use as a space spray. Avoid excessive wetting of asphalt, tile, rubber and plastic materials.

PHYSICAL HAZARDS

Flammable: contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE:
GENERAL CLASSIFICATION**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.

Read entire label and use only as directed. Hold container as directed. Hold container upright, point valve opening away from person. Hold container about 12 inches from surface being sprayed. Push button to where spray.

To Kill Roaches, Ants, Water Bugs, Spiders, Silverfish, Crickets, Scorpions: Direct spray on baseboards, door and window trim, infested cracks, under carpets and rugs and such hiding places as under sinks, panboards, stoves, cabinets and around pipes. Spray directly on crawling insects whenever possible. Spray surfaces until wet. Allow insecticide to dry undisturbed, as this will continue to kill crawling insects for a whole month. Repeat as necessary.

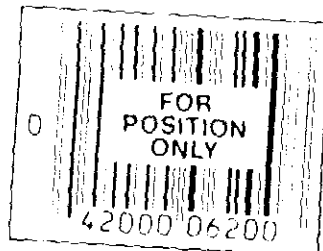

To Kill Flies, Mosquitoes, Wasps and Flying Moths Outdoors: Spray on outdoor surfaces of screens, window frames, doors, light fixtures, porches, garages, outhouses, and other places where these insects gather. Do not use contents of this container as a space spray.

MONEY BACK GUARANTEE:

Unsprayed treated areas must be kept for 30 days. If not effective, money back.

Write to: P.O. Box 4060,
Hawthorne, N.J. 07040-4060.
