DIRECTIONS FOR USE

TO KILL TICKS AND FLEAS

STORAGE AND DISPOSAL

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin, eyes or clothing. Wash contaminated skin promptly with soap and warm water. For eyes, flush with plenty of water. Get medical attention if irritation persists. Avoid contamination of food and feedstuffs.

See Back Panel of Can for STATEMENT OF PRACTICAL TREATMENT

Do not use in commercial food processing, preparation, serving or storage areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Remove children, pets and birds from the treatment area and do not allow reentry until area has been adequately ventilated. Cover fish aquariums before spraying. Wash hands thoroughly after using and before eating or smoking.

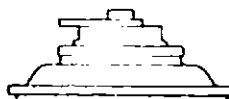

PHYSICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS CONTINUED

1. Place fogger on
stand or table in the
center of the room. A
new stand is provided
with the fogger.

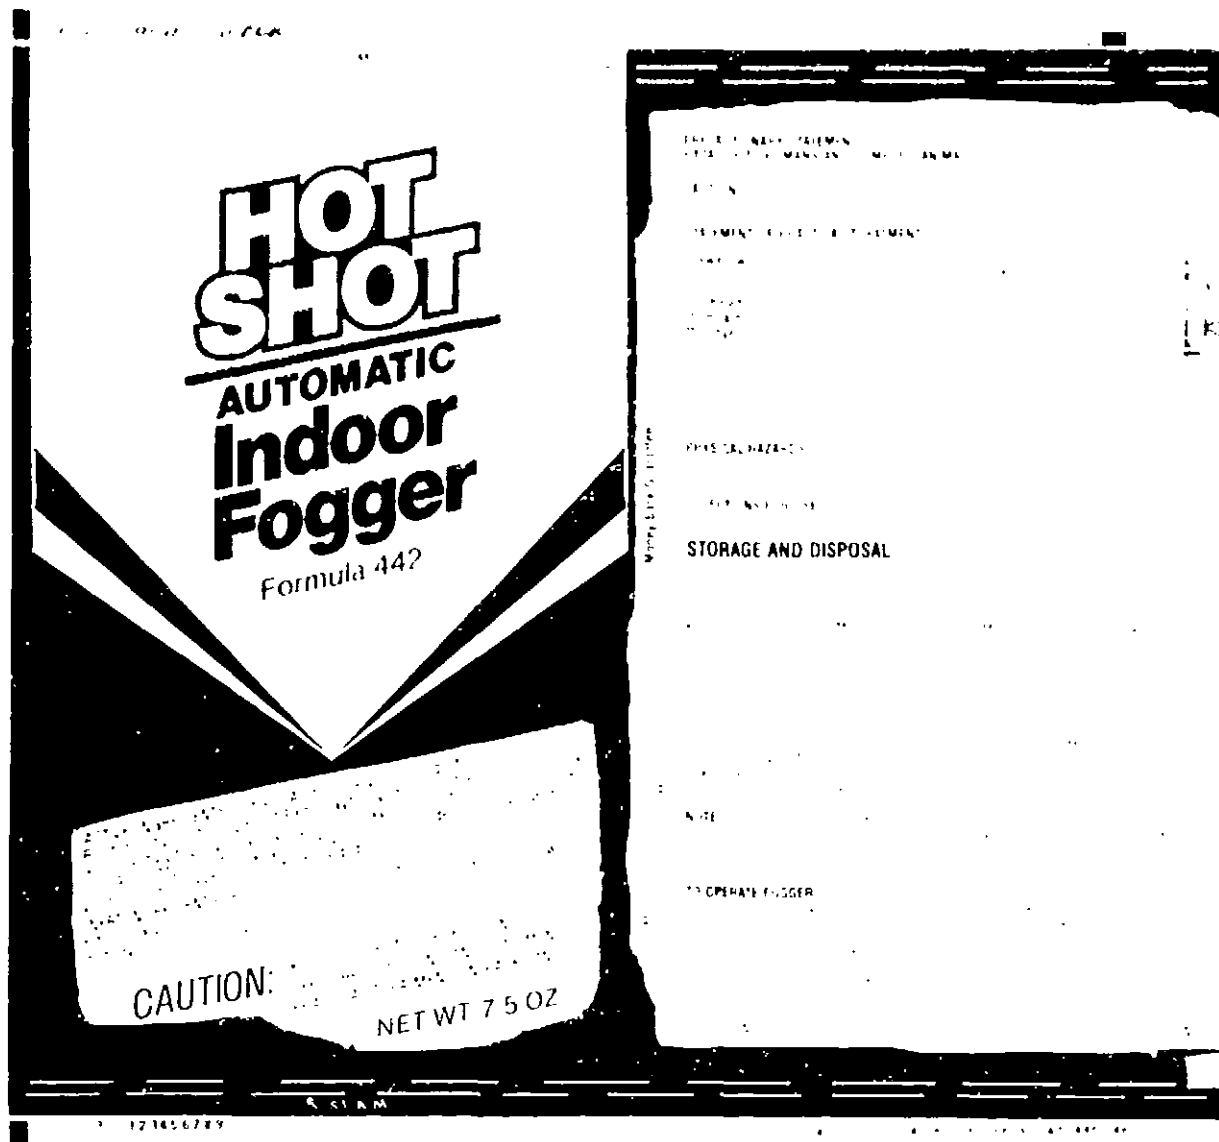

2. Turn fogger
on. Fogger will
emit a fine mist
into the air.

3. Place fogger
on stand and leave room
closed and fogger
on for 30 minutes.

4. Open windows and
doors and allow
fresh air to enter.
