BACK PANEL FOR HOT SHOT FLEA AND TICK SPRAY FORMULA127

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Avoid breathing vapors. Wash hands with soap and water after use. Do not spray in eyes, face, or scrotum. Do not use on nursing puppies or kittens under 3 months of age.

In the home, all food processing surfaces, exposed food and utensils, should be covered during treatment, or thoroughly washed before use.

Cover fish aquariums before spraying.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Do not induce vomiting. Drink plenty of water.

If On Skin: Wash off with soap and water. If any irritation occurs, get medical attention.

If In Eyes: Flush with plenty of water. Get medical attention if irritation persists.

PHYSICAL HAZARDS

Contents under pressure. Do not use or store near heat of open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed, by storage or disposal. Do not reuse empty container. Wrap container and put in trash collection.

HOLD CONTAINER UPRIGHT

Hot Shot Flea & Tick Spray provides quick relief from bothersome flea and tick problems and long lasting protection for your pet. It will kill Fleas, Ticks and Lice on Dogs and Cats and will repel Flies, Gnats and Mosquitoes from the animals.

Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under the body. As you spray, fluff the hair so the spray will penetrate to the skin. Make sure spray wets ticks thoroughly. Do not spray into eyes, face or on scrotum. Repeat as needed.

BACK PANEL FOR HOT SHOT FLEA AND TICK SPRAY (FORMULA 127) (CONT.)

For cats apply at the rate of one second per pound of body weight. (For example: 5 seconds of total spraying on a 5 pound animal). For dogs apply at the rate of two seconds per pound of body weight for thin or short haired dogs and up to eight seconds per pound of body weight for heavy or long haired dogs.

MONEY BACK GUARANTEE: Guaranteed to kill the insects listed when used as directed or your money back.
