## UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

OCT 30 2003

Mr. Bruce Lavery  
Spurrier Chemical Companies, Inc.  
P.O. Box 2812  
Wichita, KS 67201-2812

Subject: Spur-Tex Disinfectant Cleaner-Deodorant  
EPA Registration No. 5768-8  
Amendment Date: August 14, 2003  
EPA Receipt Date: August 26, 2003

Dear Mr. Lavery,

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) as amended, is acceptable with conditions listed below.

**Proposed Amendment**

- Response to Agency letter dated July 14, 2003.

**Conditions**

Revise the label as follows:

The Agency is working with "Master" labels in which you are required to submit a label that includes all the possible directions, storage/disposal, and environmental hazards statements that would apply to your product regardless of the container size. Since this product is sold in one gallon containers that are packaged in a carton containing 2-4 one gallon containers. You must submit a label reflecting the "Storage and Disposal" statements for the one gallon container as well as "Storage and Disposal" Statements and "Environmental Hazard" statements for the carton.

Revise your label to reflect the following:

(1 gallon containers)

**Storage and Disposal**

Keep this product under locked storage inaccessible to children or persons unfamiliar with its proper use. Do not reuse container. Discard in trash.

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

(Carton Container)

**Storage and Disposal**

Do not contaminate food, water, or feed by storage or disposal

**Pesticide Storage:** Keep this product under locked storage inaccessible to children or persons unfamiliar with its proper use. Open dumping is prohibited.

**Pesticide Disposal:** Language on proposed label is acceptable.

**Container Disposal:** Language on proposed label is acceptable.

**Environmental Hazards**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

**General Comments**

A stamped copy of the labeling accepted with conditions is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact Velma Noble at (703) 308-6233.

Sincerely,

Velma Noble  
Product Manager (31)

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act as  
amended, for the pesticide,  
registered under EPA Reg. No. 5768-8

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER:** Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear chemical goggles, protective clothing, and rubber gloves. Harmful if swallowed or absorbed through the skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

### STORAGE AND DISPOSAL

**Pesticide Storage:** Keep this product under locked storage inaccessible to children or persons unfamiliar with its proper use. Do not reuse container. Discard in trash. Open dumping is prohibited.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

### CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**GENERAL:** Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.

### FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**If in eyes:** Hold eye open, rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on skin or clothing:** Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
