Subject: CHLOR-O-PIC
EPA Reg. No. 5785-17
Your label amendment dated June 8, 2010

Dear Mr. McAllister:

In the Agency letter of May 13, 2010, the Agency approved amended labeling for this registration with the condition that specific label revisions be made to the May 13, 2010 label stamped "Accepted with Comments". This letter amends the May 13, 2010 letter by deleting label revision number 13 so that the warning agent language for CHLOR-O-PIC is no longer required.

The label associated with this change has been previously stamped "Accepted with Comments" and is dated May 13, 2010. Submit one copy of the final printed label that incorporates the required changes before the product is released for shipment. If you have any questions, please contact Andrea Carone by phone at (703) 308-0122 or via email at carone.andrea@epa.gov or Mary Waller by phone at (703) 308-9354 or via email at waller.mary@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Mary L. Waller".
