and Carpet Beetles.**

CAUTION KEEP OUT OF REACH OF CHILDREN
Read Caution Statement on Back Panel

Manufactured by:
Dettelbach Pesticide Corporation
Aerosol Division
4103 Peachtree Road, N. E.
Atlanta, Georgia 30319

ACTIVE INGREDIENTS:

Chlordane, Technical*	2.00%
Technical Piperonyl Butoxide**	0.25%
Pyrethrins	0.05%
Petroleum Distillate	72.70%

INERT INGREDIENTS 25.00%

Dichlorodifluoromethane
Trichloromonofluoromethane

Equivalent to 1.2% Octachloro-4, 7-Methanotetrahydroindane and 0.8% related compounds.

**Equivalent to 0.2% (Butylcarbityl) (6-Propylpiperonyl) ether and 0.05% related compounds.

DIRECTIONS

Roaches, waterbugs, silverfish: Spray thoroughly into infested cracks, crevices and other hiding places such as under sinks, drainboards, stoves, cabinets, behind baseboards and around pipes where insects may pass through walls and floors. Repeat applications as often as necessary to maintain effective control.

Ants: Observe ants for location of trails or passages, and spray until wet. Spray around door sills, window frames as well as into all cracks and crevices.

Carpet Beetles: Make localized applications to areas of the floor and baseboards, directing the spray into cracks and beneath carpets. Treat closets and infested areas of shelving.

IMPORTANT

Spray until wet, all surfaces that are infested with insects. Repeat applications as necessary to maintain effective control

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Contact with skin can cause toxic symptoms. Avoid inhalation or skin contact. In case of contact with skin, wash off with soap and water. Avoid contamination of feed and foodstuffs.

Do not use as a space spray. Apply only as a spot treatment to cracks, crevices and other areas where crawling insects have been resting or running.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting. Never throw container into fire or incinerator.

Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.
