**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

Avoid breathing vapors in contact with eyes. Wash face, hands, and clothes after treatment and ventilate before reoccupying.

Avoid contamination of feed and foodstuffs. When using this product in food processing plants, food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using this product in these areas, apply only when facility is out of operation.

**PHYSICAL OR CHEMICAL HAZARDS**

Intense under pressure. Do not use in hot areas or near heat or open flame. Do not use in fire or moderate to heavy explosion temperatures. Avoid contact with eyes.

#### STORAGE AND DISPOSAL

Store in a cool, dry place. Do not store near heat or open flame.

**DISPOSAL:** Do not use empty. Wrap container and put in trash collection.

#### DIRECTIONS FOR USE

Read and follow all Federal laws for use of this product in a manner consistent with the label.

**SHAKE BEFORE USING AND AT INTERVALS DURING PROLONGED USE**

Hold container upright with nozzle away from you. Press valve down and spray as directed. To avoid possible staining of fabrics or surfaces, do not spray at close range.

**Flies, Mosquitoes, Gnats, Wasps and Flying Moths:** Close all doors and windows. Spray from at the rate of 1/2 ounce per 1000 cubic feet. Direct spray to all parts of the room, especially windows and other light sources which attract these insects. Keep nozzle in constant motion. Repeat treatment in 14-15 minutes after treatment. Repeat treatment as necessary.

**Roaches, Water Bugs, Silverfish, Spiders, Crickets, Centipedes and Sowbugs:** Spray into cracks, crevices, behind sinks, cabinets, baseboards and floor around drains and plumbing, hitting insects with spray whenever possible. Repeat treatment as necessary.

**Ants:** Spray trails, nests and points of entry. Spray plants where possible. Repeat as necessary.

**Indian Meal Moths and Angoumois Grain Moths:** Close doors and windows. Direct spray into all parts of room, especially around stored food product containers, pallets and darkened areas.

Spray 2 to 10 seconds per 1000 cubic feet of space. Repeat as needed for 15 minutes following treatment. Repeat application weekly, as needed.

**Confused Flour Beetles, Saw-toothed Grain Beetles, Granary Weevils, Rice Weevils, Red Flour Beetles, Grain Mites:** Spray into cracks and crevices, on containers and other areas where these insects tend to aggregate. Spray 1/2 ounce for each 100 square feet of surface. Keep area closed for 45 minutes to 1 hour after treatment. Repeat applications as necessary.

**Carpet Beetles:** Spray directly on beetle, baseboards, floors, shelves and carpets. Repeat treatment as necessary.

**Bedbugs:** Spray mattresses, particularly around tufts and seams. Take bed apart and spray all joints. Treat base and molding and floor. Repeat treatment as necessary.

**Fleas:** Spray sleeping quarters, bedding, floor and furniture where pets are kept. Repeat as necessary. Use only a recommended pet spray on pets.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
