

CLOROX CLEANER

NO RINSING • CLEANS & DISINFECTS • DEODORIZES

Cleans most washable surfaces in the home:

Floors	Walls	Appliances
Linoleum	Woodwork	Plastic and
Tile	Porcelain	Vinyl Upholstery

DIRECTIONS:

1. For normal cleaning, mix 1/4 cup to 1 gallon hot water. Used as directed, Clorox Cleaner will leave surfaces clean and shiny. No rinsing required.
2. For tough jobs — lipstick, scuff marks, tar, hardened grease, whitewall tires — use full strength, wipe immediately. For sensitive skin use rubber gloves as you would with other cleaning products.
3. To kill dangerous staph and strep germs and athlete's foot fungi on environmental surfaces, wipe with recommended solution (1/4 cup to 1 gallon water) until surface is thoroughly covered.
4. To remove mold and mildew and the odors they cause from hard, non-porous surfaces, clean surfaces with solution (1/4 cup to 1 gallon water) and reapply thoroughly with a damp cloth. Repeat application as necessary to maintain control.

DANGER: KEEP OUT OF REACH OF CHILDREN. Causes eye damage and skin irritation. Do not get in eyes, on skin, or on clothing. Protect eyes and skin when handling. Harmful if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available drink large quantities of water. Call a physician immediately. Rinse empty container thoroughly with water and discard it.

Contains No Phosphates
EPA Reg. No. 5813-16
