FINAL LABEL COPY

Tackle is the cleaner/disinfectant which combines powerful cleaning, disinfectancy and stain removal in one product.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Household Cleaning and Stain Removal: Apply Tackle with a damp sponge or squeeze directly onto surfaces such as counters, sinks, tubs, tile and kitchen appliances. Rinse or wipe clean. For sensitive skin, wear gloves.

Floors: Mop washable floors including no-wax floors, linoleum, vinyl and ceramic tile with solution of 1 cup Tackle per gallon of warm water. Rinse for the best shine.

Disinfecting Toilet Bowls: Flush toilet and add 3/4 cup of Tackle to bowl water. Brush to thoroughly wet all surfaces including under the rim. Let stand 5 minutes before flushing.

Disinfecting Other Hard Non-Porous Surfaces: Apply full strength with cloth or sponge to wet surfaces thoroughly. Let stand 5 minutes. Kills staph, strep, mildew and athlete's foot fungus. For heavy soil, pre-cleaning is required before disinfecting.

Apply Carefully—Tackle Contains Bleach

Precautionary Statements: Hazards to humans and domestic animals.

WARNING: Causes eye irritation. Do not get in eyes or on clothing. Harmful if swallowed. For sensitive skin, wear gloves.

Practical Treatment: If splashed in eyes, immediately remove contact lenses and rinse with plenty of water. If swallowed, drink a large quantity of milk or water. Get prompt medical attention. Do not drink alcohol. If contact with skin, remove contaminated clothing and wash skin.

Physical and Chemical Hazards: Tackle contains bleach. Do not use or mix Tackle with other household chemicals such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid. To do so will release hazardous gases. Rinse immediately after use on metal to avoid pitting or discoloration. Avoid contact with clothes, fabric, wood, fur, deer carpet, painted and paper surfaces.

Storage and Disposal: Store in a cool place. Do not reuse empty container. Wrap container in plastic bag and discard.
