

NOTICE OF PESTICIDE REGISTRATION  
(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

The Clorox Company  
P.O. Box 433  
Pleasanton, CA 94566

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered under the Act in accordance with the Act, 5(c)(7)(A) provides that you

1. Show that you are entitled to registration or reregistration of your product under the Act, 5(c)(7) which requires you to register or reregister your product if you are a manufacturer.

2. If so, the label of your product must now be revised to include the following for shipment:

a. The phrase "EPA Registration No. 5813-22."

b. The phrase "EPA Registration No. 5813-22" must be printed on the label of your product.

SIGNATURE OF REGISTRANT

DATE

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**For General Cleaning and Disinfecting**

**To Clean:** Turn nozzle counter clockwise approximately 1/2 turn. Spray 6-8 inches from the surface. Spray with quick, full strokes until thoroughly wet. Wipe with a damp sponge or cloth. Rinse, if desired. For stubborn soils allow ENTIRE to soak on the soil for 2-5 minutes, wipe and rinse with water.

**To Disinfect:** Spray 6-8 inches from surfaces, until thoroughly wet. To kill household germs, allow five minutes before wiping. For heavy soil, pre-cleaning is required before disinfection. To control mold and mildew growth on hard, non-porous surfaces, spray thoroughly. Reapply as new growth appears.

**For Kitchen Cleaning**—Spray ENTIRE directly on counter tops, stoves, stove hoods, refrigerators, sinks and walls to remove the toughest grease, food spills, or burned on food and grease, then wipe with a damp sponge or cloth. Rinse, if desired.

**For Bathroom Cleaning**—Spray ENTIRE directly on your bathtub, sink or toilet to remove the toughest soap scum, hard water deposits, dull and grease. To clean the inside of your toilet, apply ENTIRE directly to the inside of the bowl. Brush then flush. For outside of the bowl, follow general cleaning instructions.

**For Floor Cleaning**—ENTIRE effectively cleans all floors, including no wax floors. Dilute 1 cup ENTIRE per gallon of warm water. Rinse for best shine.

**Precautionary Statements—Hazards to Humans and Domestic Animals**

**WARNING:** Causes eye irritation. May irritate skin. Avoid contact with eye and skin. Avoid breathing vapors. Gloves are recommended for sensitive skin.

**Practical Treatment:**—If in eyes, remove contact lenses then flush with water. If contact with skin, remove contaminated clothing and flush skin with water.

**Physical and Chemical Hazards:**—Do not use on polished metal or natural marble. Do not mix with bleaches, ammonia or household chemicals.

**Storage and Disposal:**—Do not reuse this bottle for storage of any other material. Rinse container, place container in bag and discard.
