Subject: Strike
EPA Registration No. 5813-23
Application Date: March 2, 2007
Receipt Date: March 9, 2007

Dear Ms. Waite:

This submission proposes to insert organisms previously accepted but not included on the label to the revised label.

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with conditions for some organisms.

Conditions

The proposed label claims that Strike is effective against *Pseudomonas aeruginosa* and *Trichophyton mentagrophytes* in toilet is unacceptable and will be removed from the label. These claims supported the registration of this product when it was used as a disinfectant for hard non-porous surfaces in certain settings.

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit one copy of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact Wanda Henson at (703) 308-6345.

Sincerely,

Emily H. Mitchell
Product Manager – Team 32

- Bleaches Out Tough Stains
- Replaces Powder Cleansers

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL HOUSEHOLD CLEANING: Use this product on surfaces like tubs, tile sinks, and toilet bowls. Apply this product with a damp sponge or squeeze directly onto surface. Rinse. For tough stains, let soak several minutes before rinsing.

DISINFECTING: Toilet Bowls: Flush toilet. Apply generously (4 oz) in bowl. Brush to wet all surfaces including under rim. **Let stand 10 minutes** before flushing. Limited disinfectant against intestinal bacteria. Other Non-Porous Surfaces: Rub on surface with damp sponge. **Let stand 10 minutes.** Rinse. For heavy soil, pre-clean surface before disinfecting.

Kills: ***[Bacteria]***

~~_____~~ Salmonella enterica (Salmonella) [ATCC 10708],
 Staphylococcus aureus (Staph) [ATCC 6538], Streptococcus pyogenes (Strep) [ATCC 9342]

[Fungi] [Mold]

~~_____~~ Aspergillus niger [mold] [ATCC 6275]

Note: To avoid scratching appliance enamel, plastic, fiberglass and other soft surfaces, use sparingly and rub gently with damp sponge. Do not use on silver.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING: Causes skin irritation and substantial but temporary eye injury. Do not get in eyes or on skin or clothing. Wear safety glasses, protective clothing and gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

FIRST AID: **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. **If on skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

STORAGE AND DISPOSAL: Store this product in a cool, dry area, away from direct sunlight and heat to avoid deterioration. Do not reuse empty container. Offer empty container for recycling. If recycling is not available, discard container in trash. Do not contaminate water, food, or feed by storage, disposal or use of this product.

Averages 1.3% phosphorus in the form of phosphates.
