<input type="checkbox"/> Resubmission in response to Agency letter dated _____	<input type="checkbox"/> "Me Too" Application.
<input checked="" type="checkbox"/> Notification - Explain below.	<input type="checkbox"/> Other - Explain below.

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

Notification: addition of the available chlorine to the label per EPA letter dated March 23, 2005 and other non-mandatory labeling text. This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA. The production labels will be updated at the next printing after this label has been routed to all states for approval. Since we sell multiple sizes and names, this implementation will be staggered over a few months.

TILEX®

KEEP OUT OF REACH OF CHILDREN.

WARNING:

• Eye irritant. Use only in well ventilated areas.

SEE BACK LABEL -or- PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

Active Ingredient:
 Sodium Hypochlorite 2.40%
 Other Ingredients: 97.60%
 Total 100.00%

(Yields 2.28% available chlorine)

NET WT _____

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING: Causes substantial but temporary eye injury and can irritate skin. For sensitive skin or prolonged use, wear gloves. Do not get in eyes or on clothing. Vapors may irritate. Use only in well ventilated areas. Avoid prolonged breathing of vapors. **Not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema or obstructive lung disease. (this statement will appear in color)** Due to irritating nature, may be harmful if swallowed.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glassful of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS: This product contains bleach. Do not use or mix this product with other household chemicals such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid. To do so will release hazardous gases.

STORAGE AND DISPOSAL: Store this product in a cool [dry] area [away from direct sunlight and heat] to avoid deterioration. Do not reuse empty container. -or- Refill only with this product. Offer empty container for recycling. If recycling is not available, discard container in trash.

Contains No Phosphorus. Best If Used By Date Below:

AVOID PROLONGED BREATHING OF VAPOR

Use in well ventilated areas. Open windows and turn on fans before use. If the vapors bother you, leave the room while this product is working. For sensitive skin or prolonged use, wear gloves. Do not mix with Tilex® Soap Scum Remover -or- Tilex® Soap Scum and Bathroom Cleaner -or- Lestoil® Baño.

[Refill only with this product]

Alternate for Refill Bottle: To Refill (Spray Bottles):

- | Remove | Pour | Use | -or- |
|-------------------------------------------------------|------------------------------------------------------------------------|-----------------------------------------------------------|---------------------------------------------------------------------------------------------------|
| 1. Remove trigger sprayer -or- cap from empty bottle. | 2. Unscrew cap on refill and pour contents directly into empty bottle. | 3. Replace trigger sprayer and use as you normally would. | (Remove trigger sprayer from empty bottle,) unscrew cap and transfer your trigger to this bottle. |

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOUSEHOLD USE:

For non-foaming trigger:

TO REMOVE MILDEW STAINS: Turn sprayer nozzle to SPRAY position. Spray, wait until stains disappear and rinse. Heavy mildew buildup may require longer contact time, or two cleanings.

For foaming trigger:

TO REMOVE MILDEW STAINS: Turn nozzle to FOAM position. Spray 6-8 inches from surface until surface is thoroughly covered. Allow foam to deeply penetrate mildew and problem areas. Wipe with a wet sponge or cloth, and rinse. Heavy mildew buildup may require longer contact time, or two cleanings. If excess foam dries on nozzle, rinse with warm water.

For both the foaming and non-foaming triggers:

TO DISINFECT AND KILL MOLD & MILDEW ON HARD, NONPOROUS SURFACES such as glazed ceramic tile: Spray surface until thoroughly wet, let stand 5 minutes, and rinse.

TO KILL MOLD & MILDEW ON HARD, POROUS SURFACES such as grout and cement: Spray surface until thoroughly wet, let stand 10 minutes, and rinse. [Repeat application.]

TO CLEAN SOAP SCUM: Spray, wait a few minutes, wipe with sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking. **FOR SOAP SCUM PROBLEMS:** Use Tilex® Soap Scum Remover or Tilex® Soap Scum and Bathroom Cleaner.

Works on grout, [bath]tubs, toilets, fiberglass, shower doors, vinyl curtains, counters -or- countertops, sinks, glass, plastic, glazed ceramic tile, unglazed ceramic tile, no-wax floors, basement floors, windowsills, refrigerator seals, and under the sink. Rinse immediately after use on rubber, plastic and vinyl. Avoid prolonged contact with metal and old porcelain as this product can react with these materials and leave a "rusty" stain. Do not use on wood or painted surfaces unless you plan to refinish or repaint them. This product may not be able to remove mildew embedded in hard water deposits, old grout or silicone caulking. Avoid contact with aluminum, clothes, fabric, carpet or paper surfaces as they will discolor. **BIG JOBS:** Tilex can effectively clean many household surfaces. For convenience, use the turret top or refill your Tilex sprayer bottle.

WHERE TO USE:

TO CLEAN AND DISINFECT TOILET BOWLS: Flush toilet and add 1 cup Tilex to bowl. Brush to thoroughly wet all surfaces including under rim. Let stand 5 minutes before flushing.

FLOORS: Mop washable floors including no-wax floors, linoleum, vinyl and ceramic tile with 1 cup Tilex per gallon of warm water. Rinse for best shine.

CEMENT POOL AREAS: Apply liberally (full strength) and rinse. **VINYL AND PLASTIC OUTDOOR FURNITURE:** Sponge on full strength and rinse immediately.
