PINE-SOL® Cleaner Disinfectant
EPA REG. NO. 1703-62
February 4, 1987

ACCEPTED
31 AUG 1988
Under the Federal Insecticide, Fungicide, and
Rodenticide Act, as amended, for the
pesticide registered under
EPA Reg. No. 1730-62

PINE-SOL® CLEANER DISINFECTANT

PINE SOL cleans and deodorizes all washable household surfaces, kills household germs and leaves a fresh, clean scent.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CLEANING AND DEODORIZING

FOR FLOORS, WALLS AND SIMILAR SURFACES. Dissolves old wax, greasy grime and tar. Even removes crayon marks. Use 1/4 cup per gallon of water. No rinsing required except on rubber or asphalt tile. For extra tough jobs, use full strength and rinse immediately.

NO-WAX FLOORS. When used as directed, PINE SOL will not harm no-wax floors. Use 1/4 cup per gallon of water. Wash floor with mop or sponge and rinse. For no-wax floors, PINE SOL is not recommended for use at full strength.

KITCHEN. Kitchen floors collect grease and traffic dirt. Use 1/4 cup per gallon of water or full strength anywhere greasy dirt is a problem.

BATHROOMS. Cleans and deodorizes bathtubs, tubs, and tiles. Use 1/4 cup per gallon of water or full strength where odors are a problem.

TOILET BOWLS. Pour 2 1/4 oz. in bowl and brush thoroughly, including under the rim.

GENERAL DISINFECTING

Kills household germs on hard, non-porous surfaces such as kitchen and bathroom floors, toilets, diaper pails and pet areas. Apply PINE SOL with a sponge or cloth. Full strength. Wet surfaces. Let stand for 10 minutes, then remove excess. For highly soiled areas, clean excess dirt first.

SPECIAL CLEANING AND DEODORIZING APPLICATIONS

LAUNDRY. Pour full strength on grease spots, collar and cuff stains or other soiled areas and rub in before loading into the washer. For extra cleaning power and deodorizing during the wash, add a half cup of PINE SOL along with your regular soap and detergent.

BARBAGE CARE. Use full strength or 1/4 cup per gallon of water to clean and deodorize. Brush and rinse.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

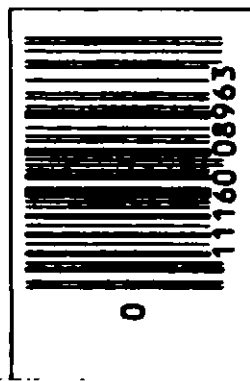

CAUTION. May cause eye irritation. Do not get in eyes. Avoid contact with food.

FIRST AID INSTRUCTIONS. If eye contact occurs, immediately flush eyes with plenty of water. If irritation persists, call a physician. If swallowed, do not induce vomiting. Promptly drink a large amount of milk or water; call a physician.

PHYSICAL OR CHEMICAL HAZARD. Keep away from heat, sparks and open flame.

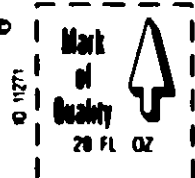

STORAGE/DISPOSAL. Do not reuse empty container. Wrap container in plastic bag and discard.
