Dear Ms. Lawson:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

Proposed Amendment

- Revised labeling

Conditions

1. The ingredient statement must total 100%.
2. You must remove the phrase "CONTAINS BIODEGRADABLE CLEANING AGENTS" from the product label. The term "biodegradable" is considered false and misleading and may only be made in reference to the package or packaging and then only if you certify that the package breaks down and you provide information to support it.
3. Delete the statement "...AND SIMILAR SURFACES." Use sites must be specific and this statement is too broad.

RNAME	J. Evelyn Lawson							
TE	8-2-05							

- 4. Qualify the use site "tile" by stating the use site as "glazed tile."
- 5. Revise the statement "Kills household bacteria on hard, non-porous surfaces such as..." to read "Kills household bacteria on the following hard, non-porous surfaces:..."

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit three(3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.
