Subject: CDQ  
EPA Registration No.: 5813-79  
Amendment Date: March 22, 2010  
EPA Receipt Date: March 22, 2010

Dear Mr. Quon,

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable subject to the conditions listed below:

#### Label Revisions

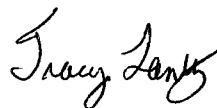

- 1) As per the Agency letter dated 1/5/2005 to CSPA on "Germs" your product does not meet the criteria for an unqualified "germ" claim. You have not provided data which indicates that your product is effective against fungi. Thus, all references to "germs" must be qualified including those on page 5, left column bullets 3 and 4. Place a cross symbol next to all references to "germ" and "germs" such that these terms are qualified by the list on page 6.
- 2) The Agency is currently not allowing Cause Marketing claims on pesticide labels. Delete the following Cause Marketing phrase "to pledge" from the claim on page 14 of your label: "Visit *insert website* [to get involved] [to participate] [**to pledge**-and/or-vote] [for more information-or-details]".
- 3) Delete the brackets surrounding the word "appliances" in the phrase "Stainless Steel [Appliances]" on page 16. Since your product is for use in medical clinics, medical and dental offices, hospitals as well as nursing homes, your label may not include unqualified metal surfaces such as stainless steel.
