

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
5813-84

Date of Issuance:
April 7, 2005

NOTICE OF PESTICIDE:

Registration
 Reregistration

Term of Issuance: Conditional

Name of Pesticide Product: Necktie

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Clorox Company
c/o PS&RC
PO Box 493
Pleasanton, CA. 94566-0803

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to the use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit one copy of the revised final printed label for the record changing the EPA File symbol 5813-IU to EPA Registration Number 5813-84.
3. On page 3 remove claim at the 4th caveat on left side "and freshens the air".

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

You must submit 2 copies of your finished label to this Office prior to your shipment of this product.

Signature of Approving Official:

BACK PANEL OR SIDE PANELS**PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

DANGER: Highly corrosive. May be fatal if swallowed. DO NOT TAKE INTERNALLY. Causes irreversible eye damage and skin burns. Irritating to nose and throat. Avoid breathing dust. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling. Wash thoroughly after handling.

FIRST AID: Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to-mouth, if possible.

Clorox information line: 1-800-228-1860

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL AND CHEMICAL HAZARDS:

CHEMICAL HAZARD: STRONG OXIDIZING AGENT. Keep away from heat or flame. Mix only with water.

STORAGE AND DISPOSAL: Store in original container in areas inaccessible to children in a cool, dry, well-ventilated area. Do not store at elevated temperatures. Discard empty container [and clip-on -or- tank-hanger -or- entire unit] in trash.

Back or Side Panel

Note: (A), (B), and (C) refer to graphics.

Opening and Assembly Directions:

1. Hold [tablet holder] pouch away from face. Cut open with scissors on dotted lines.
2. Attach hanger [(A)] to tablet holder [(B)].
3. Remove [peel] label [(C)] to release fragrance.

Back or Side Panel**DIRECTIONS FOR USE**

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

To Sanitize, Clean and Deodorize:

1. Clean toilet bowl thoroughly, including under the rim. Flush toilet.
2. Remove toilet tank lid.
3. Hang the unit on toilet tank wall with tablet holder on inside of tank, and fragrance gel [holder] on the outside of tank. Replace toilet tank lid.

Immediately wash hands after handling unit.

Remove and discard entire unit after 4 weeks -or- 1 month -or- 30 days -or- 360 flushes. If unit needs to be removed before tablet is completely dissolved, wear rubber gloves while removing from tank. Place in plastic bag. Avoid dripping. Product must be used in a toilet that is flushed regularly.

When used as directed, Necktie will sanitize toilet bowl water, keeping it clean, clear and free of odor. Necktie gives the effectiveness of chlorine without the chlorine odor. Necktie sanitizes toilet bowl water by killing 99.9% of [germs] [bacteria] in 15 minutes after each flush. Each tablet sanitizes for 4 weeks -or- 1 month -or- 30 days -or- 360 flushes. Eliminates 99.9% of [germs] [bacteria] in 15 minutes after each flush.
