U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510C)
1200 Pennsylvania Avenue, NW
Washington, D.C. 20460

EPA Reg. Number:

5813-87

Date of Issuance:

AUG 12 2005

NOTICE OF PESTICIDE:

☐ Reregistration
☒ Registration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

X-MEN

Name and Address of Registrant (include ZIP Code):

The Clorox Company
c/o PS&RC
P.O. Box 493
Pleasanton, CA 94566-0803

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No.5813-87"
 - b. The signal word for this product is "WARNING"
 - c. The first and fourth directions for use for cleaning/sanitizing are to "Flush."

Signature of Approving Official:

Emily H. Mitchell, PM-32 (7510C)

Regulatory Management Branch II, Antimicrobial Division

Date:

AUG 12 2005

- d. Revise the Precautionary statement as to read "Causes substantial but temporary eye injury. Do not get in eyes, on skin or clothing. Wear protective eyewear such as goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

BACK PANEL DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Open: Simply twist cap counterclockwise one-quarter turn. Cap does not come off.

CLEANING

To Clean and Protect Against Stain Build-Up:

- [1.] Lower bottle so cap is below the rim. Apply product under and around rim to coat the inside of the bowl.
- [2.] Scrub the entire bowl with a stiff brush and allow to sit for 5 minutes.
[Do not allow pets or children to access the toilet during this time.]
- [3.] Flush toilet.
- [4.] For best results reapply weekly to maintain protective barrier against stains.
