WASHINGTON, DC 20460

OFFICE OF CHEMICAL SAFETY  
AND POLLUTION PREVENTION

July 11, 2016

Ms. Elisa Estremera  
Federal Registration Specialist  
The Clorox Company  
C/o PS&RC; Post Office Box 493  
Pleasanton, CA 94566-0803

Subject: Notification per PRN 98-10 – Minor Label Changes  
Product Name: X-Men  
EPA Registration Number: 5813-87  
Application Date: June 28, 2016  
Decision Number: 519080

Dear Ms. Estremera:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

## NOTIFICATION

5813-87

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

07/11/2016

**BACK PANEL  
DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Open: [Simply] Twist cap counterclockwise one-quarter turn. Cap does not come off.

[Close cap after each use.]

-OR-

To Open Child Resistant Cap -or- Closure:

Squeeze sides [of cap -or- closure] where symbols -or- arrows indicate and twist counterclockwise one quarter turn.

[Cap -or- closure] does not come off. To reseal -or- To close [tightly], turn [cap -or- closure] clockwise [until tightly closed].

**CLEANING:**

**To Clean [and Remove Tough Stains]:**

[1.] Flush toilet.

[2.] Lower bottle so cap is below the rim. Apply product under and around rim to coat the inside of the bowl.

[3.] Scrub the entire bowl with a stiff brush and allow to sit for 5 minutes.

[Do not allow pets or children to access the toilet during this time.]

[4.] Flush toilet.

[[5.] For best results reapply weekly.]

#### **Child Resistant Closure Claims**

Squeeze and twist to open. Close tightly.

**BACK PANEL**

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**WARNING:**

Causes substantial but temporary eye injury. Do not get in eyes, on skin or clothing. Wear protective eyewear such as goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. **IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
