NOTICE OF PESTICIDE:

**Registration**

Name and Address of Registrant (include ZIP Code): The Clorox Company, c/o PS&RC, P.O. Box 493, Pleasanton, CA 94566-0803

Name and Address of Registrant (include ZIP Code): The Clorox Company, c/o PS&RC, P.O. Box 493, Pleasanton, CA 94566-0803

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision No. 467573) is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

   Add the phrase “EPA Registration Number 5813-106.

Date: 11/28/2012

EPA Form 8570-6
Submit three (3) copies of the final printed label with the above noted comments, prior to releasing this product for sale.

Submit a one-year Storage Stability and Corrosion Characteristics studies (OPPTS 830.6317 and OPPTS 830.6320), when they are completed.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

On page 2 of the current label we note the addition of a company web site. Should you wish to retain a reference to the company's website(s) on your label, then please be aware that such a reference transforms the websites into labeling under the Federal Insecticide Fungicide and Rodenticide Act sec 2 (p)(2). The web sites are then subject to review by the Agency. If the web site contents are false or misleading, the product would be misbranded and its sale or distribution unlawful to sell or distribute under FIFRA section 12(a)(1)(E). In addition, regardless of whether a website is referenced on your product's label, claims made on the web site may not substantially differ from those claims approved through the registration process. Although EPA has not yet determined the extent to which it will routinely review company web sites, if the Agency finds or if it is brought to our attention that a web site contains false or misleading statements or claims substantially differing from claims approved through the registration process, the web site may be referred to the EPA's Office of Enforcement and Compliance Assurance.

The original proposed submitted label dated 7/19/12 (pin punch 7/20/12) was amended and updated on 11/26/12 (pin punch 11/27/12).

A stamped copy of the label is enclosed for your records.
