

U.S. ENVIRONMENTAL PROTECTION AGENCY  
 Office of Pesticide Programs  
 Antimicrobials Division (7510P)  
 1200 Pennsylvania Ave., N.W.  
 Washington, D.C. 20460

**EPA Reg. Number:**

5813-110

**Date of Issuance:**

4/12/16

**NOTICE OF PESTICIDE:**

Registration  
 Reregistration  
 (under FIFRA, as amended)

**Term of Issuance:**

Conditional

**Name of Pesticide Product:**

Oui Oui

**Name and Address of Registrant (include ZIP Code):**

The Clorox Company  
 c/o PS&RC  
 P.O. Box 493  
 Pleasanton, CA 94566-0803

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

**Signature of Approving Official:**

Julie Chao, Product Manager 33  
 Regulatory Management Branch 1, Antimicrobials Division (7510P)

**Date:**

4/12/16

2. You are required to comply with the data requirements described in the DCI identified below:
  - a. Hydrogen Peroxide GDCI-000595-1127

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI listed above, you may contact the Reevaluation Team Leader (Team 36): <http://www2.epa.gov/pesticide-contacts/contacts-office-pesticide-programs-antimicrobial-division>.

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, "EPA Reg. No. 5813-110."
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 10/21/2015

If you have any questions, please contact me by phone at (703) 308-8735, or via email at [chao.julie@epa.gov](mailto:chao.julie@epa.gov).

Sincerely,

Julie Chao, Product Manager 33  
Regulatory Management Branch 1

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### ***DISINFECTION***

**Hard Nonporous Surfaces: -or- Sealed Ceramic Tile, Porcelain, Shower Walls, Floors and Other Hard Nonporous Surfaces:** [Set trigger to SPRAY.] Spray 6-8 inches from surface until surface is thoroughly wet. Allow this product to [penetrate and] remain wet for contact time listed below [-or- on label] [-or- on organism table]. Then wipe. [Rinse.] For heavily soiled areas, a precleaning is required. Rinse with potable water for food-contact surfaces. For all others, no rinsing is required. [If streaking is observed, wipe with a clean, damp [cloth -and/or- microfiber cloth -and/or- paper towel].

**One-Step Disinfection and Cleaning the Exteriors of Toilets and Urinals:** Remove gross filth before disinfection. Apply product to exposed surfaces. Allow this product to [penetrate and] remain wet for the contact time listed below -or- on label [-or- on organism table], [then wipe].

***The following statement only to be used on institutional labels with medical use sites, medical devices and/or bloodborne pathogens:***

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream, or normally sterile areas of the body, or (2) contacts intact mucous membranes, but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

**DISINFECTION continued:  
Hard Surface Claims**

Now -and/or- New[!] -and/&/or- Improved[!] **to be used as a claim descriptor only for the first 6 months of product on shelf**

- An effective disinfectant [on non-food contact surfaces] [for use in [***insert use sites***]]
- Antibacterial
- Bactericidal
- Cleans and disinfects urine stains
- [Cold] [and] flu virus† control

- For direct application
- For easy cleaning
- For Outdoor Use [concrete -and/or- sidewalks -and/or- pavement -and/or- outdoor tile -and/or- grouting stains]
- For pet or people accidents
- For terminal cleaning
- General purpose cleaner
- Get to every surface your kids or pets can get to
- Good for pretreatment for laundry
- Good for pretreatment of [many] [***insert stain(s)/soil(s)***] stains
- Great for pet stains!
- [Great] For removing [***insert stain[s]/soil[s]***] [on [***insert use site[s]***]]
- Great for use on soft surfaces<sup>¥</sup> including [***insert soft surface<sup>¥</sup> from list***]
- Ideal for use in schools -and/or- daycare -and/or- universities -and/or- public places
- Ideal for use on high touch surfaces
- Just spray[, ] [and] wipe [and you're done] [; no scrubbing required!]
- Leaves [virtually] no residue
- Light touch up. Quick cleaning
- Low residue
- Makes cleaning easier
- Money-saving refill
- No build-up -and/or- residue
- No mixing, measuring, or rinsing required
- No phosphates
- No rinsing
- Non-abrasive
- Non-corrosive
- Non-flammable
- One step cleaning
- Packaging made with [25%] recycled -or- recyclable plastic
- Professional performance for your home
- Professional Urine Remover
- Proof is in the clean
- Removes -and/or- Cleans [***insert stain[s]/soil[s]***] [on [***insert use site[s]***]]
- Removes dried on [blood] stains
- [Removes] [Eliminates] [Destroys] set in -or- old pet stains
- Removes tough stains like vomit, feces, urine and blood
- [Removes] [Works on] [Effective on] [Great for] [Great for removing] [tough] [toughest] [pet -and/or- urine -and/or- feces -and/or- sweat -and/or- vomit] stains and odors [on hard surfaces] [on soft surfaces<sup>¥</sup>] [on hard and soft surfaces<sup>¥</sup>]
- Safe for colorfast upholstery, fabrics, and carpets, including stain-resistant carpeting.
- Safe for use on stain-resistant carpets
- Save money and aggravation by rescuing carpet, furniture, mattresses and floors.
