

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

5813-131

Date of Issuance:

4/28/22

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Dino Jr.

Name and Address of Registrant (include ZIP Code):

Tony Herber
Agent for
The Clorox Company
c/o PS&RC; P.O. Box 493
Pleasanton, CA 94566-0803

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Demson Fuller,
Acting Branch Chief
RMB1, Antimicrobials Division (7510P)

Date:

4/28/22

2. You are required to comply with the data requirements described in the DCI identified below:
 - a. n-Alkyl (C12 40%; C14 50%; C16 10%) dimethyl benzyl ammonium chloride
 - i. GDCI-069105-30882
 - ii. GDCI-069105-1679

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI listed above, you may contact the Reevaluation Team Leader (Team 36):
<http://www2.epa.gov/pesticide-contacts/contacts-office-pesticide-programs-antimicrobial-division>

3. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 5813-131.”
4. Submit one copy of the final printed label for the record before you release the product for shipment.

Because you have opted to add statements pertaining to emerging viral pathogens to your label as described in the August 19, 2016, Guidance to Registrants: Process For Making Claims Against Emerging Viral Pathogens Not On EPA-Registered Disinfectant Labels (“Guidance”), https://www.epa.gov/sites/production/files/2016-09/documents/emerging_viral_pathogen_program_guidance_final_8_19_16_001_0.pdf, you are subject to the following additional terms of registration:

1. You may make statements pertaining to emerging viral pathogens only through the following communications outlets: technical literature distributed exclusively to health care facilities, physicians, nurses and public health officials, "1-800" consumer information services, social media sites and company websites (non-label related). These statements shall not appear on marketed (final print) product labels.
2. Your statements pertaining to emerging viral pathogens must adhere to the format approved on the Agency-accepted master label.
3. You may make statements pertaining to emerging viral pathogens only upon a disease outbreak that meets all the following criteria:
 - a. The causative organism must be a virus that causes an infectious disease that has appeared in a human or animal population in the U.S. for the first time, or that may have existed previously but is rapidly increasing in incidence or geographic range.
 - i. For human disease, the outbreak is listed in one of the following Centers for Disease Control (CDC) publications:
 - A. CDC Current Outbreak List for “U.S. Based Outbreaks” (www.cdc.gov/outbreaks),
 - B. CDC Current Outbreak List for “Outbreaks Affecting International Travelers” with an “Alert” or “Advisory” classification (www.cdc.gov/outbreaks) (also released through the CDC’s Health Alert Network (HAN) notification process)
 - C. Healthcare-Associated Infections (HAIs) Outbreaks and Patient Notifications page (www.cdc.gov/hai/outbreaks)

ii. For animal disease, the outbreak is identified as an infectious disease outbreak in animals within the U.S. on the World Organization for Animal Health (OIE) Weekly Disease Information page (www.oie.int/wahis_2/public/wahid.php/Diseaseinformation/WI).

- A. The CDC or OIE has identified the taxonomy, including the viral family and/or species, of the pathogen and provides notice to the public of the identity of the emerging virus that is responsible for an infectious disease outbreak. Based on the taxonomy of the outbreak pathogen identified by the CDC or OEI, the pathogen's viral subgroup is enveloped.
- B. The virus can be transmitted via environmental surfaces (non-vector transmission), and environmental surface disinfection has been recommended by the CDC, OIE or EPA to control the spread of the pathogen.
4. You may begin communicating statements pertaining to emerging viral pathogens only upon CDC or OIE's publication per term 3.a. of an outbreak of an emerging viral pathogen meeting all of the criteria of term 3. You must cease and remove all such non-label communications intended for consumers no later than 24 months after the original publication of the outbreak per term 3.a., unless the Agency issue written guidance to the contrary due to continued public health concerns. The emerging pathogen claim language may remain on the master label.
5. Terms from points 1 through 4 above shall become immediately void and ineffective if registration for use against WA strain of Human Rotavirus (ATCC VR-2018) is suspended or cancelled or no longer meets the criteria for a disinfectant claim (see EPA Product Performance Test Guideline 810.2200). In addition, terms B.1 through B.4 above shall become immediately void and ineffective upon your receipt of evidence of ineffectiveness against any pathogen in a less-resistant Spaulding category.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Assurance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 04/20/2021
- Alternate CSF 1 dated 04/20/2021
- Alternate CSF 2 dated 04/20/2021
- Alternate CSF 3 dated 04/20/2021
- Alternate CSF 4 dated 04/20/2021

Label identification

DINO JR, EPA Reg. No. 5813-XXX

RC732023

10:30 4/22/22

ACCEPTED

04/28/2022

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 5813-131

Formatting notes (applicable for all claims)

Now[!] -and/or- **New[ly][!]** -and/or- **Improved[!]** may be added anywhere to a claim and will only be used for the first 6 months of product on shelf.

Optional text may be placed anywhere on the label -and/or- container.

Bold, italicized text is information for the reader and is not part of the label.

Bracketed information is optional text.

All footnotes are on the last page, unless they are part of EPA's mandated text.

The word "and" may be substituted with "&". Plural words may be used in their singular form or singular words may be used in their plural form unless otherwise specified in 40 CFR.

All directions may be written in numbered form or in paragraph form.

All use surfaces and/or use sites on the label may be listed in conjunction with an image of the use surface and/or use site.

Highlighted text is new. Strike-through text means removed.

OUTER PACKAGE FOR STARTER PACK (Pods+empty spray bottle)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Disinfection

[Spray application] For visibly soiled areas, [a] precleaning is required -or- apply [product] to pre-clean surface.

1. [Hold trigger 6" to 8" from surface]
2. [Unlock the trigger before use]
3. [Lock the trigger after use]

To Disinfect Hard, Nonporous Surfaces: Spray until thoroughly wet. Surface must remain visibly wet for 10 minutes. [For Human Coronavirus, Human Rotavirus, Respiratory Syncytial virus (RSV), or Influenza A virus let stand for 10 min[utes].] [Then wipe.] For visibly soiled areas, [a] precleaning is required. Food contact surfaces must be rinsed with potable water. Do not use on glasses, dishes, or utensils.

Sanitization

To Deodorize -and/or- Sanitize Hard, Nonporous Non-Food Contact Surfaces: Spray until thoroughly wet. Surface must remain visibly wet for 60 sec[onds] [one min[ute]]. Then wipe. -or- Surface must remain visibly wet for 60 sec[onds] [one min[ute]] before wiping. For visibly soiled areas, a precleaning is required.

To Prevent -Or- Inhibit -Or- Control The Growth Of Mildew On Hard, Nonporous, Non-food Contact Surfaces:

Spray surface until thoroughly wet. Allow to air dry. Repeat application weekly or when growth reappears. Visibly soiled surfaces require precleaning.

To Prevent -Or- Inhibit -Or- Control The Growth Of Odor-Causing Bacteria On Hard, Nonporous, Non-Food Contact Surfaces:

Spray surface until thoroughly wet. Allow to air dry. Visibly soiled surfaces require precleaning.

Cleaning

[To Clean -and/or- Remove Soap Scum:] Spray [product] onto soils -or- soiled areas and wipe [clean] with [a -and/or- dry] paper towel or [lint-free] cloth [or sponge]. -or- Just spray on and wipe off [with a dry paper towel or lint-free cloth or sponge]. **next 3 sentences optional** No scrubbing or rinsing necessary. For best results, use a dry paper towel or lint-free cloth. Repeat for heavily soiled areas. For stubborn stains -and/or- heavily soiled areas [or tougher jobs], allow [the] product to sit -or- penetrate [dirt -and/or- soap scum] for 1 -or- a few -or- several minutes [before wiping]. [For best results, use regularly to prevent dirt and soap scum build up.] Food contact surfaces must be rinsed with potable water.

General

[Household/Kitchen/Bathroom/Floor] Cleaning: [Remove cooking ingredients and cooked food from areas to be cleaned.] Spray product straight onto soils and wipe clean [with a dry paper towel or lint-free cloth -or- sponge]. -or- [Spray soiled area, then wipe clean.] Food contact surfaces must be rinsed with potable water.

To Clean [Nonporous] Surfaces -and/or- Floors: [Spray soiled area, then wipe clean. -or- For spot cleaning, spray straight from bottle and wipe clean with damp sponge -or- mop.] [For larger areas, [remove trigger sprayer and] mix one cup of this product per gal[lon] of warm water and apply with a sponge -or- mop.] Food contact surfaces must be rinsed with potable water.

When diluted following use instructions and stored in the **insert product name** bottle at room temperature, this product remains effective as an antimicrobial for up to 30 days -or- 1 month -or- one month. [Continue to use this product for cleaning until empty.] If the product becomes visibly dirty or contaminated, the use-solution must be discarded and a fresh use-solution prepared.

For use with: **insert full product name. May include graphic representation of product package.**

[After refilling spray bottle,] Dispose of empty concentrate pod. Empty concentrate pod can not be reused or recycled.

-or-

[Must add] -or- [Dilute in] water

-or-

Add 1.1 oz of this product to 18.9 oz of water

-or-

Using water, make a 1:16.77 dilution of this product

Replace trigger by turning (trigger) clockwise onto spray bottle. Shake until well mixed.

• To Foam -or- Spray: Turn -or- Rotate nozzle to ON.

-or-

To Refill [Spray Bottle]:

• [[Easy] Refill [Instructions on [the] Back]]

• Twist off, Refill. [Replace trigger -or- sprayer]

OUTER PACKAGE FOR PODS/REFILLS (when sold separately)

Back, side, or front label panel

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Disinfection

[Spray application] For visibly soiled areas, [a] precleaning is required -or- apply [product] to pre-clean surface.

1. [Hold trigger 6" to 8" from surface]
2. [Unlock the trigger before use]
3. [Lock the trigger after use]

To Disinfect Hard, Nonporous Surfaces: Spray until thoroughly wet. Surface must remain visibly wet for 10 minutes. [For Human Coronavirus, Human Rotavirus, Respiratory Syncytial virus (RSV), or Influenza A virus let stand for 10 min[utes].] [Then wipe.] For visibly soiled areas, [a] precleaning is required. Food contact surfaces must be rinsed with potable water. Do not use on glasses, dishes, or utensils.

Sanitization

To Deodorize -and/or- Sanitize Hard, Nonporous Non-Food Contact Surfaces: Spray until thoroughly wet. Surface must remain visibly wet for 60 sec[onds] [one min[ute]]. Then wipe. -or- Surface must remain visibly wet for 60 sec[onds] [one min[ute]] before wiping. For visibly soiled areas, a precleaning is required.

To Prevent -Or- Inhibit -Or- Control The Growth Of Mildew On Hard, Nonporous, Non-food Contact Surfaces:

Spray surface until thoroughly wet. Allow to air dry. Repeat application weekly or when growth reappears. Visibly soiled surfaces require precleaning.

To Prevent -Or- Inhibit -Or- Control The Growth Of Odor-Causing Bacteria On Hard, Nonporous, Non-Food Contact Surfaces:

Spray surface until thoroughly wet. Allow to air dry. Visibly soiled surfaces require precleaning.

Cleaning

[To Clean -and/or- Remove Soap Scum:] Spray [product] onto soils -or- soiled areas and wipe [clean] with [a -and/or- dry] paper towel or [lint-free] cloth [or sponge]. -or- Just spray on and wipe off [with a dry paper towel or lint-free cloth or sponge]. **next 3 sentences optional** No scrubbing or rinsing necessary. For best results, use a dry paper towel or lint-free cloth. Repeat for heavily soiled areas. For stubborn stains -and/or- heavily soiled areas [or tougher jobs], allow [the] product to sit -or- penetrate [dirt -and/or- soap scum] for 1 -or- a few -or- several minutes [before wiping]. [For best results, use regularly to prevent dirt and soap scum build up.] Food contact surfaces must be rinsed with potable water.

General

[Household/Kitchen/Bathroom/Floor] Cleaning: [Remove cooking ingredients and cooked food from areas to be cleaned.] Spray product straight onto soils and wipe clean [with a dry paper towel or lint-free cloth -or- sponge]. -or- [Spray soiled area, then wipe clean.] Food contact surfaces must be rinsed with potable water.

To Clean [Nonporous] Surfaces -and/or- Floors: [Spray soiled area, then wipe clean. -or- For spot cleaning, spray straight from bottle and wipe clean with damp sponge -or- mop.] [For larger areas, [remove trigger sprayer and] mix one cup of this product per gal[lon] of warm water and apply with a sponge -or- mop.] Food contact surfaces must be rinsed with potable water.

When diluted following use instructions and stored in the **insert product name** bottle at room temperature, this product remains effective as an antimicrobial for up to 30 days -or- 1 month -or- one month. [Continue to use this product for cleaning until empty.] If the product becomes visibly dirty or contaminated, the use-solution must be discarded and a fresh use-solution prepared.

For use with: **insert full product name. May include graphic representation of product package.**

Outer Package for Refills:

STORAGE AND DISPOSAL: Store out of reach of children and persons unfamiliar with its use. Rinse empty refill pods. Recycle pods and outer package or discard in trash. Do not discard outer package until all product is used.

POD - CONTAINER LABEL

Note to the reviewer: This is a small container. The following pieces of information will appear on the outer panel: Product name, signal word, child hazard statement, referral statement for first aid location.

The following pieces of information may appear on an inner panel: Ingredient statement, EPA registration number, EPA establishment number.

Antimicrobial Claims

- **XX insert any number between 24-48** hour prevention against -or- from odor-causing bacteria^Δ growth
- **XX** more [disinfecting -or- sanitizing] solution per drop⁶
- [24 hour -or- 48 hour -or- 2 Day] odor-causing bacteriostat^Δ
- Anti-bacterial
- Antibacterial -or- Germicidal[†] [Formula]
- Broad Spectrum [disinfectant -or- disinfection]
- Clorox disinfecting technology
- Controls -or- prevents [the] growth of odor-causing bacteria^Δ
- [Cover[s]] [Disinfect[s]] [Sanitize[s]] large areas
- Disinfect -or- sanitize [common] [household] hard, non-porous surfaces
- Disinfect -or- sanitize [surfaces]
- Disinfect -or- sanitize with our [new] [more] sustainable packaging
- Disinfect -or- sanitizes [hard, nonporous surfaces] inside and outside your home
- Disinfect -and/or- Sanitize[s] high touch surfaces
- Disinfectant -and/or- sanitizer
- Disinfect[ion] -and/or- sanitize -and/or- sanitization
- Disinfect[s] -and/or- deodorize[s] -and/or- sanitize[s]
- Disinfecting -or- sanitizing spritz
- Disinfection -and/or- sanitization
- Disinfection -or- sanitization [Value] Pack
- Disinfects -or- sanitizes [most types of] hard, nonporous surfaces [*insert surfaces here*]
- Disinfects -or- sanitizes [*insert surface from Table 1 Use Site*]²
- Disinfects -or- sanitizes on hard non-porous surfaces
- Disinfects -or- sanitizes hard non-porous surfaces¹⁹
- Disinfects -or- sanitizes^P
- Disinfects -or- sanitizes high traffic areas
- Disinfects -or- sanitizes surfaces around your home^[4]
- Disinfects -or- sanitizes your door handles
- Disinfects -or- sanitizes your outdoor hard non-porous surfaces
- Doesn't just cover up bad odors - it eliminates them
- [Equipped to] disinfect on the spot
- [Everyday] [Daily] Disinfectant -or- sanitization Spray
- Keeps odor-causing bacteria^Δ from growing for [up to -or- as long as] **XX insert any number between 24-48** hours
- Kills [99.9% of] cold & flu viruses²⁷ -and/or- staph -and/or- Salmonella
- Kills [99.9% of] odor-causing bacteria
- Kills 99.9% of Germs[†] -and/or- Viruses[‡] -and/or- Bacteria
- Kills 99.9% of Viruses[‡] -and/or- Bacteria
- Kills 99.9% of bacteria [on your] [common] [household] hard, non-porous surfaces
- Kills 99.9% of bacteria and prevents odors from coming back for [up to] **XX insert any number between 24-48** hours
- Kills 99.9% of germs[†] -and/or- bacteria
- Kills 99.9% of germs[†] on high touch surfaces
- Kills 99.9% of germs[†] on your common household surfaces so you can go about your day
- Kills 99.9% of germs[†] -or- Disinfects -or- sanitizes
- Kills cold & flu viruses^{27, P}
- Prevents [the] growth of bacteria¹⁷ for [up to] **XX insert any number between 24-48** hours
- Prevents odor-causing bacteria for up to 24 hours
- Prevents mildew growth for up to 7 days
- Prevents -or- Inhibits odor-causing bacteria^Δ growth [for [up to] **XX insert any number between 24-48** hours]
- Prevents -or- inhibits odor-causing bacteria[^Δ] [re-]growth
- Prevents -or- Keeps odor-causing bacteria^Δ from growing -or- odor-causing bacteria growth^Δ for [up to] 24 hours
- Prevents the growth of Mold -and/or- Mildew
- Prevents the growth of odor-causing bacteria^Δ for up to 24 hours
- Sanitizes bathroom surfaces in 60 seconds
- Targeted Disinfection -and/or- sanitization
- Triple action formula⁵
- Use 80% less plastic³² while killing viruses[‡] and bacteria

Emerging Viral Pathogen Claims

This product qualifies for emerging viral pathogen claims per the EPA's 'Guidance to Registrants: Process for Making Claims Against Emerging Viral Pathogens not on EPA-Registered Disinfectant Labels' when used in accordance with the appropriate use directions for use indicated below.

This product meets the criteria to make claims against certain emerging viral pathogens from the following viral category:

<i>For an emerging viral pathogen that is an:</i>	<i>... following the directions for use for the following organisms on the label:</i>
Enveloped virus	Human Rotavirus [ATCC VR-2018][Strain WA]

This product has demonstrated effectiveness against viruses similar to ***insert name of emerging virus*** on hard, nonporous surfaces. Therefore, ***this product*** can be used against ***insert name of emerging virus*** when used in accordance with the directions for use against ***insert name of supporting virus(es)*** on hard, nonporous surfaces. Refer to the CDC -or- OIE website at ***insert pathogen-specific website address*** for additional information.

Insert name of illness/outbreak is caused by ***insert name of emerging virus***. ***This product*** kills similar viruses and therefore can be used against ***insert name of emerging virus*** when used in accordance with the directions for use against ***insert name of supporting virus(es)*** on hard, nonporous surfaces. Refer to the CDC -or- OIE website at ***insert pathogen-specific website address*** for additional information.

Organism Table

Hard Non-Porous Surface Disinfection (UDM)		
Bacteria	Strain and/or ATCC	Contact Time
Pseudomonas aeruginosa [(Pseudomonas)]	[ATCC 15442]	10 min[utes]
Salmonella enterica [(Salmonella)]	[ATCC 10708]	10 min[utes]
Staphylococcus aureus [(Staph)]	[ATCC 6538]	10 min[utes]
Viruses Enveloped	Strain and/or ATCC	Contact Time
‡Human Coronavirus	[ATCC VR-740 Strain 229-E]	10 min[utes]
‡Influenza A Virus	[Strain A2/Hong Kong/8/68]	10 min[utes]
‡Respiratory Syncytial Virus (RSV)	[ATCC VR-26]	10 min[utes]
Viruses Large Non-Enveloped	Strain and/or ATCC	Contact Time
‡Human Rotavirus	[ATCC VR-2018] [Strain WA]	10 min[utes]
Hard, Non-porous Non-food Contact Surface Sanitization		
Bacteria	Strain and/or ATCC	Contact Time
Klebsiella aerogenes	[ATCC 13048]	1 min[ute]
Staphylococcus aureus [(Staph)]	[ATCC 6538]	1 min[ute]
Fungistat		
Fungus	Strain and/or ATCC	Duration
Aspergillus niger	[ATCC 6275]	7 days

- Call 1-800-227-1860 for support with your cleaning system
- Cleans -and/or- Disinfects [Everyday] [Bathroom -or- Kitchen -or- Countertop] [Messes]
- Cleans [everyday] tough messes
- Cleans A Variety Of Surfaces [Throughout The House]
- Cleans [& repels] soap scum
- Cleans everyday tough messes with **x%** less plastic³²
- [Complete -or- Refillable] Cleaning System
- [Components are] Completely Recyclable
- Concentrated
- Concentrated Refill System
- Cuts [through] -or- eliminates [tough] grease -and/or- grime
- [Deep -and/or- Penetrating] Foam provides [great] control to reach soap scum -and/or- grime -and/or- stains -and/or- dirt [even in tough cracks -and/or- crevices -and/or- corners]
- Deep clean [formula]
- [Designed -or- developed for] use with [**product name**] refillable spray bottle
- [Dispense to] unleash the [cleaning] power of Clorox
- Cleans Many Surfaces [Throughout The House]
- Cleans Messes In & Around The House
- Cleans -and/or- Freshens -and/or- Disinfects [surfaces]
- Clinging action -or- foam
- Clings for a deep clean
- Clorox technology
- [Club] Value Pack -or- Multi Pack
- [Complete] Starter Kit -or- [Refillable] Cleaning System
- Concentrated for **Insert a number between 60 and 80 x%** less [single-use plastic] waste
- Concentrated formula saves shipping **X** gallons -or- tons -or- truckloads [of] water
- Concentrated formula to eliminate shipping excess water
- Concentrated Refill
- Control where you spray
- Controlled coverage
- [Convenient] foam[ing] spray -or- cleaner -or- formula
- Deep Cleaning [Strength -or- power]
- [Deep] penetrating foam
- [Deep -or- Penetrating] Foam clings to [mold -and/or- mildew] stains
- Degreasing Multi-Surface Cleaner
- [Designed-or-developed for] use with [name of product] refillable spray bottle
- Designed to be counter friendly
- Designed to eliminate single use plastics
- Designed to eliminate single use plastics
- Destroys -and/or- eliminates -and/or- prevents [tough] [stains -and/or- soap scum] [growth -or- build up]
- Destroys 100% [Of] Grease⁷ [& Grime] [Guaranteed]
- Destroys bathroom [stains] -and/or- [messes]

- Destroys -and/or- Removes -and/or- Eliminates 100% [of] grease [& grime]
- Dissolves -and/or- powers through grease [& grime] [in seconds -or- on contact]
- Does not miss a spot
- Doesn't spray more than needed
- Does the work for you
- Dual Pack [size] -or- Twin Pack
- Easily clean
- Easy -and/or- Gentle on surfaces, tough on stains -and/or- messes
- Easy mixing [without splashing] -or- Easy refill [with no splashing] -or- Splashless refill
- Easy mixing -or- refill [with no -or- without splashing] -or- Splashless refill
- Easy refill, no mess
- Easy refill [model]
- Easy spraying [, no heavy cans]
- Easy to control spray
- Easy to handle, easy to store
- Easy to hold and spray
- Easy to spray
- Easy to use
- Eliminates -and/or- neutralizes -and/or- removes pet odors
- Eliminates -and/or- Removes [tough] [bathroom] stains
- Eliminates [the toughest] stain[s] [the First Time]
- Eliminates odors¹⁷ [by killing bacteria that cause them]
- Eliminates odors [by killing [99.9% of] bacteria [that cause them]]
- Enhanced -and/or- concentrated cleaning power, with reduced -or- [80%] less [plastic] waste
- Ergonomic bottle or sprayer
- Ergonomically optimized -or- designed
- Even coverage
- Evenly coating -or- spritz -or- spray
- Everyday formula -or- use
- Experiential scents [- takes you away]
- Extra [Value] [Pack]
- Fast acting foam penetrates and lifts dirt -and/or- grease -and/or- grime
- Fast acting foam starts cleaning -or- dissolves stains [on contact -or- the first time]
- Fast acting cleaning [foam]
- Fast acting foam starts to clean -or- starts cleaning on contact
- Fast acting foam penetrates and lifts dirt -and/or- grease -and/or- grime
- Foam works hard on soap scum -and/or- grime -and/or- stains -and/or- dirt
- Foaming trigger [for a deep clean]
- Foaming trigger for [better] control
- For daily -and/or- everyday surface cleaner -or- cleaning use [and disinfecting]
- [Foam] penetrates soap scum -and/or- grime
- Foaming Action [for a deep -and/or- Powerful Clean]
- Foaming action attacks [mold & mildew] stains deep down [for a powerful clean]
- [For] use [only] with **name of product** Starter Kit -or- Cleaning System
- Forever -or- Infinity -or- Keeper bottle
- [For] Everyday Cleaning and Disinfecting
- For painted surfaces, test small area first
- For use in [**insert Table 2 use sites**]
- For use on hard, nonporous surfaces **insert use sites from Table 1**
- For use on hard, nonporous surface materials **insert surface materials from Table 3**
- [For] use [only] with **insert product name** [Starter Kit] [Cleaning System]
- Forever -and/or- **XX** reusable bottle¹⁸
- Freshens [up] your home
- Freshens surfaces
- From the Makers of Clorox
- Fully recyclable bottle and trigger -or- sprayer!
- [Get- or- Make a -or- the] Perfect cleaning solution every time
- Goes where you need it to
- Grease Cutting [Multi-Surface Cleaner]
- Grease cutting power
- Great for cleaning [**insert use surfaces from Table 1 -and/or- Table 5 -and/or- insert surface materials from Table 3**]
- Great for everyday -or- daily cleaning -or- use [around the home -or- house]
- Great for everyday cleaning
- Great for everyday items
- Great for nooks and crannies
- Great for small items -and/or- large surfaces
- Hard to reach areas
- Helps prevent [the] buildup of soap scum
- [Helps] [Reusable [plastic] bottle] Reduce[s] plastic pollution
- Improve your teenager's room's smell
- Includes **Include a number between 1 and 20 XX** Bottles and **Include a number between 1 and 20 XX** Refills¹¹
- [Includes] Empty Reusable Bottle
- Just add water [for a powerful clean]
- Just the right amount of spray
- Keep the product where you put it, not on your hands
- Keep trigger -or- sprayer -or- sprayer head -or- nozzle for future use with refill -or- refillable bottle
- Leaves a clean scent so you know it is working
- Less [plastic] waste with refillable packaging
- Light weight spray[ers]
- Lightly scented
- Long-lasting bottle
- Long-lasting [freshness]
- Long-Lasting Scent
- Made in USA⁸
- [Made with] [[**XX**%] recycled content -or- less] packaging
- Makes **X** bottles [of product -or- of cleaner]
- Makes **X** oz [of product -or- of cleaner]
- Mega [value] [pack]
- Mix when ready to use
- Mix when you are ready to clean
- Money saving [Can] [Bottle] [Refill] [Pack] [Value]
- Money saving refills
- More clean, less waste
- More cleaning power [per drop]¹⁰
- More Cleaning Power Per Drop⁶
- More Cleaning Power in Every Drop⁶
- [More clean with] Less waste
- Multi-purpose^P [formula -or- spray -or- cleaner]
- Multi-purpose^P cleaner is tough on grease and grime and easy on surfaces
- Multi-purpose^P -or- Multi-surface [formula -or- spray -or- cleaner]
- Multi-Surface Degreaser
- Multi-Surface Grease [& Grime] Cleaner
- Neutralizes odors at the source¹⁷

- Never miss a spot again
- New[!]
- No [concentrate] contact refill
- No heavy scents
- No heavy jug to refill your bottle
- No Mess Refill
- No over-wetting
- No rinse required on non-food contact surfaces
- No spill -or- leak -or- mess -or- splash refill
- No sticky residue
- No strain
- No throw[-]away packaging²⁰
- No visible [surface] residue left behind
- No waste packaging²¹
- Novel -or- innovative technology
- [Now -or- New] [With] PowerPacks [Refillable -or- Refill] [Technology]
- Odor neutralizing
- Odor neutralizing -or- neutralizer

- Refill container is [100%] recyclable
- Refill, reuse and reduce single-use [plastic] waste
- Refill -or- refillable
- Refill sold separately
- Refill Technology -or- System
- Refill With Clorox -and/or- Concentrated Refills
- Refillable
- Refillable bottle
- Refillable Cleaner
- [Refillable -or- Forever] [Reusable] bottle + **X** refills
- Refillable -or- Sustainable
- [Refills make it] better for the environment
- Refresh your space
- Remove label [and -or- to recycle bottle]
- Removes 100% [Of] Grease [& Grime] [Guaranteed]
- Removes -or- eliminates -or- neutralizes -or- fights -or- deodorizes [yucky -or- icky -or- smelly] [airborne] odors
- Removes -or- powers through -or- Cleans [**insert stain/soil from Table 4**]
- Removes stains & disinfects
- Removes stains [on contact]
- Replace bulky spray bottles with space saving pods -or- refills -or- concentrates
- Reusable bottle
- Reuse [bottle] to reduce [plastic] waste
- Reusable sprayer head -or- trigger head
- Reusable sprayer head
- Safe to -or- for use on [**insert surface material(s) from Table 3**]
- Save money by reusing the trigger -or- sprayer -or- nozzle
- Save money with refills
- Save plastic by reusing the sprayer -or- trigger
- Saves **X%** of [virgin -or- new] plastic¹³ **X is a number between 20-99**
- [Scent] blends inspired by nature
- [Scents -or- fragrances] Inspired by nature
- Sealed until a new bottle of product is needed
- Sealed until ready to mix and clean -or- use
- Serious Grease-Busting Power
- [Smaller] droplets get to hard to reach areas¹⁵
- Spray & Go
- Spray [Cleaner] Refills
- Spray on surface⁴
- Spray on the go
- Sprays -or- spritzes just enough to disinfect -or- sanitize
- Sprays where you want
- Starter Kit [includes]

- [Starter Kit:] [1] [Reusable -or- Refillable -or- Forever] Bottle + [2 -or- 3] Concentrated Refill[s] [pods -or- capsules]
- Streak free [shine]
- Sustainable packaging
- Take control of the odor in your home
- Take it more places
- Targeted coverage
- Tear [here [to remove label]]
- Tear [off] [label] [and recycle bottle]
- The cleaning power of Clorox, with 80% less plastic
- This powerful cleaning formula penetrates soap scum and greasy soils while reducing odors
- This product is not compatible with Clorox Clean Up or Bleach Based Sprays
- Tough on -or- Cuts through [tough] Grease and Grime [the first time]
- Tough on Grease -and/or- Grime
- Tough on stains -and/or- messes
- Tough on stains -or- messes, easy -and/or- gentle on surfaces
- Tough on -or- destroys lime scale
- Travel [size] [pack]
- Tried and true [cleaning power of Clorox]
- Trigger life guarantee/Replacement guarantee for bottle -and/or- trigger
- Trigger -or- Sprayer & Bottle are 100% Recyclable
- Trigger -or- Sprayer does not contain metal and can be recycled
